The Works of William

Perkins, Volume 4 Feb 21

2022 This fourth volume contains two treatises of biblical exposition. The first treatise is A Godly and Learned Exposition upon the Whole Epistle of Jude . Finding the purpose of Jude’s letter in verse 3, Perkins calls for all Christians to persevere in professing the gospel by taking heed of false teachers and deceivers, who seek to infiltrate the church. While many of his points of application reflect a context peculiar to the Elizabethan era, his insights into what it means to “contend for the faith” still prove applicable today. The second treatise is A Godly and Learned Exposition or Commentary upon the Three First Chapters of Revelation , giving careful consideration of the seven letters to the seven churches of Asia. Perkins highlights the person of Christ and His significance to the church, focuses on what Christ approves and rebukes about the condition of the church, and emphasizes Christ’s bounty and humanity’s duty. Troubled by the prevalence of those who accept empty profession as conversion and dead formality as godliness, Perkins urges his audience to move beyond mere intellectual assent to heartfelt dedication to Christ.

Foundations of Legal

Research and Writing Jan 23

2022 FOUNDATIONS OF LEGAL RESEARCH AND WRITING, Fifth Edition is the ideal resource for paralegals.

The book's up-to-the-minute coverage tackles the ever-evolving areas of computer-assisted research and Cyber law, in addition to traditional legal research, analysis, and writing. Extensive research chapters address primary and secondary sources, citing, Lexis/Nexis, the Internet, and more, while writing sections center on drafting client opinion letters, pleadings, contracts, office memos, memoranda of law, and appellate briefs. Every chapter gives you practice writing opportunities, as well as traditional and computer-assisted research assignments to help develop your skills. Detailed case excerpts, samples, tips, and discussions further support the assignments, and illustrate the many perils of inadequate research and poor legal writing. Readers everywhere agree that FOUNDATIONS OF LEGAL RESEARCH AND WRITING, Fifth Edition delivers the concepts you need for success in the most demanding law firms and legal departments today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[Exploring Government](#) Jul 29 2022 Explore the government of the United States from its beginning to the present with special emphasis on the Biblical pattern for government and on the U.S. Constitution. Learn about the operations of Federal, state, and local government, and about issues facing our nation today. Become better equipped to understand, pray for, and be involved in our country's government. Includes guide for parents.
World Electoral Processes: Parliamentary System of Government Gr. 5-8 Aug 30 2022 **This is the chapter slice "Parliamentary System of Government Gr. 5-8" from the full lesson plan "World Electoral Processes"**. Become a voting expert with a clear understanding of the election process. Our resource breaks down the differences between a presidential, parliamentary and dictatorship government. Travel back to ancient times to experience the first voting system. Explore the concept of a democratic government and whether it truly represents the

people. Discover how the president has to share powers with the legislature in a presidential system. Explain why it is easier to pass laws in the parliamentary system than in the presidential system.
Roleplay as a member of Parliament and deliver a 90-second statement about an important issue. Find out why most dictators were military leaders, and how the role of dictator has changed over time. Learn about suffrage and what the requirements are for a citizen to be allowed to vote. Hold your own election to decide on a policy for running your classroom. Aligned to your State Standards and written to Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included.

Copyright Questions and Answers for Information Professionals Apr 13 2021

Copyright law is a critical issue for authors, librarians, publishers, and information vendors. It is also a complex area, with many shades of gray. Librarians continually need to seek answers to questions ranging from the reproduction of copyrighted works for library users, through the performance of audiovisual works, to the digitization and display of protected works on library websites. This book presents updated versions of the author's copyright columns published in *Against the Grain*, the leading journal in acquisitions librarianship since the late 1990s. It is the first volume in the series *Charleston Insights in Library, Archival, and Information Sciences*. The aim of the *Charleston Insights* series is to focus on important topics in library and information science, presenting the issues in a relatively jargon-free way that is accessible to all types of information professionals, including librarians, publishers, and vendors, and this goal shapes the pragmatic and accessible tone of the book. The volume is presented in question-and-answer format. The questions are real, submitted by librarians, educators, and other information professionals who have attended the author's copyright law workshops and presentations or submitted

them to her by e-mail or telephone. The author has selected the questions and answers that have general applicability. She has then arranged them into logical chapters, each prefaced by a short introduction to the topic. Because it is written in an accessible and clear style, readers may want to review the entire work or they can just access particular chapters or even specific questions as they need them. The volume includes an index to facilitate reference use.
