The Gendered Cyborg Jan 03 2020 The Gendered Cyborg explores the relationship between representation, technoscience and gender, through the metaphor of the cyborg. The contributors argue that the figure of the cyborg offers ways of thinking about the relationship between culture and technology, people and machines which disrupt the power of science to enforce the categories through which we think about being human: male and female. Taking inspiration from Donna Haraway's groundbreaking Manifesto for Cyborgs, the articles consider how the cyborg has been used in cultural representation from reproductive technology to sci-fi, and question whether the cyborg is as powerful a symbol as is often claimed. The different sections of the reader explore: \* the construction of gender categories through science \* the interaction of technoscience and gender in contemporary science fiction film such as Blade Runner and the Alien series \* debates around modern reproductive technology such as ultrasound scans and IVF, assessing their benefits and constraints for women \* issues relating to artificial intelligence and the internet.

**Formations of Fantasy** Aug 22 2021 Do we live in the real world? Rather than dismissing fantasy as a mere supplement to reality, the authors stress the physical reality of fantasy in shaping our perceptions, beliefs and behaviour.

A Voyage to the Country of the Houyhnhnms Sep 30 2019 According to legend, when the author and Historical Long Rider Jonathan Swift made an equestrian journey across Ireland, he arrived at a remarkable conclusion. The beloved mare who carried him faithfully was a paragon of reason, understanding and sympathy, unlike his fellow human beings. At the conclusion of the ride, Swift penned his famous book, Gulliver's Travels. It told the tale of Lemuel Gulliver, a ship's captain who

sailed to four remarkable kingdoms. While the simple children's version focuses on the little people of Lilliput, it was the talking horses found in the fourth adventure which outraged civilised English society. A Voyage to the Country of the Houyhnhnms recounts how Captain Gulliver's crew mutinied and set him ashore on an unknown island. There he encountered a race of savage humanoids who threatened to kill him. The bewildered traveller was rescued by horses, who it turns out could speak and in fact ruled the island. What follows is an astonishing tale that turns man's definition of himself on its head. The naked, warlike and murderous humans are known as Yahoos, a term still used today as a synonym for "ruffian." In order to draw attention to the evils of materialism and elitism, Swift described the Yahoos as savage creatures with selfish habits, who are obsessed with digging pretty stones from the mud. In stark contrast the Houyhnhnms, which in their language means "the perfection of nature," are a race of intelligent horses that enjoy a peaceful society based upon reason. Though he is biologically akin to the Yahoos, Gulliver prefers the company of his benevolent equine hosts. When he learns to converse with the horses, Gulliver attempts to explain human society. His equine hosts are perplexed with the alien concepts of greed, war and injustice. Nor do they have a word for 'lie, ' and must substitute the phrase "to say a thing which is not." When Gulliver reluctantly returns to England, he finds the company of his countrymen, whom he now views as Yahoos, so intolerable that he spends most of his time in the stable near his home. Thus, this equine episode is the keystone of Gulliver's Travels and reflects Swift's disenchantment with popular society. Originally it was believed that A Voyage to the Country of the Houyhnhnms was a metaphor used by Swift to highlight England's treatment of slaves as lesser human beings. More recently, it has been described as an early example of animal rights, in that Gulliver's role reversal highlighted how cruelly English horses were treated. First released anonymously in 1726, it sold out

in less than a week. Since then, the challenging tale has never been out of print. Nor has there arrived a human who has answered the challenge Swift wrote for his own epitaph. "Go forth, Voyager, and copy, if you can, this vigorous champion of Liberty."

**Men of Their Words** Dec 26 2021 "Whereas the centrality of femininity to nineteenth-century French fiction has been the focus of widespread critical attention, masculinity has, until recently, received little sustained treatment in either the literary or socio-historical domains. In this book, Nigel Harkness uses the fiction of George Sand (1804-1876), the pre-eminent woman writer of the period, to explore questions of masculinity as they pertain to the nineteenth-century French novel, and to map out new approaches to the study of literary masculinity. Drawing on contemporary theories of gender and narrative, Harkness reveals how Sands novels repeatedly focus on a nexus of language, masculinity and power, in which narrative is both a vehicle for the expression of manhood, and a site where masculinity is discursively performed. Masculinity is thus reconfigured in Sands fiction as an identity constituted as much through words as through actions. Analysis of the performances of masculinity staged in Sands novels opens onto an exploration of gendered processes of literary representation: the links between masculinity and the doxa, the equation of writing and power, the homosocial function of acts of narration, and the masculinity of authorship and authority."

**The New Puritan Generation** Sep 03 2022 In the year 2000, two young editors, Nicholas Blincoe and Matt Thorne, published *All Hail the New Puritans*, an anthology of short stories which created an impact in the somewhat faded literary scene of Britain at the turn of the millennium. The stories themselves, written by 15 young English writers (Scarlett Thomas, Alex Garland, Ben Richards, Nicholas Blincoe, Candida Clark, Daren King, Geoff Dyer, Matt Thorne, Anna Davis, Bo Fowler,

Matthew Branton, Simon Lewis, Tony White, Toby Litt and Rebecca Ray), together with the editors' manifesto, offered a new and stimulating approach to fiction, although the whole project had an outrageous reception by the literary establishment. For the first time, a collection of essays addresses the importance of the New Puritan movement and provides guidelines to understand this generation of writers.

**Molora** Aug 29 2019 Based on the Oresteia by Aeschylus In this reworking of Aeschylus' Oresteia, Klytemnestra and Elektra face one another in a dramatic confrontation. Attempts to come to terms with their violent past echo testimonies delivered in Apartheid's wake throughout South Africa during the Truth and Reconciliation Commission. Aeschylus' chorus is replaced by Xhosa tribeswomen, who bring grace and humanity through their ancient art of split tone singing. Molora (the Sesotho word for 'ash') is an examination of vengeance, and the breaking of its cycles by the everyman.

**Down from Olympus** May 31 2022 Since the publication of Eliza May Butler's Tyranny of Greece over Germany in 1935, the obsession of the German educated elite with the ancient Greeks has become an accepted, if severely underanalyzed, cliché. In Down from Olympus, Suzanne Marchand attempts to come to grips with German Graecophilia, not as a private passion but as an institutionally generated and preserved cultural trope. The book argues that nineteenth-century philhellenes inherited both an elitist, normative aesthetics and an ascetic, scholarly ethos from their Romantic predecessors; German "neohumanists" promised to reconcile these intellectual

commitments, and by so doing, to revitalize education and the arts. Focusing on the history of classical archaeology, Marchand shows how the injunction to imitate Greek art was made the basis for new, state-funded cultural institutions. Tracing interactions between scholars and policymakers that made possible grand-scale cultural feats like the acquisition of the Pergamum Altar, she underscores both the gains in specialized knowledge and the failures in social responsibility that were the distinctive products of German neohumanism. This book discusses intellectual and institutional aspects of archaeology and philhellenism, giving extensive treatment to the history of prehistorical archaeology and German "orientalism." Marchand traces the history of the study, excavation, and exhibition of Greek art as a means to confront the social, cultural, and political consequences of the specialization of scholarship in the last two centuries.

*The Book of the City of Ladies* Apr 05 2020 In dialogues with three celestial ladies, Reason, Rectitude, and Justice, Christine de Pizan (1365-ca. 1429) builds an allegorical fortified city for women using examples of the important contributions women have made to Western Civilization and arguments that prove their intellectual and moral equality to men. Earl Jeffrey Richards' acclaimed translation is used nationwide in the most eminent colleges and universities in America, from Columbia to Stanford.

**Nom de Plume** Sep 22 2021 What's in a name? In our "look at me" era, everyone's a brand. Privacy now seems a quaint relic, and self-effacement is a thing of the past. Yet, as Nom de Plume reminds us, this was not always the case. Exploring the fascinating stories of more than a dozen authorial impostors across several centuries and cultures, Carmela Ciuraru plumbs the creative process and the darker, often crippling aspects of fame. Biographies have chronicled the lives of pseudonymous authors such as Mark Twain, Isak Dinesen, and George Eliot, but never before have the stories

behind many noms de plume been collected into a single volume. These are narratives of secrecy, obsession, modesty, scandal, defiance, and shame: Only through the protective guise of Lewis Carroll could a shy, half-deaf Victorian mathematician at Oxford feel free to let his imagination run wild. The "three weird sisters" (as they were called by the poet Ted Hughes) from Yorkshire—the Brontës—produced instant bestsellers that transformed them into literary icons, yet they wrote under the cloak of male authorship. Bored by her aristocratic milieu, a cigar-smoking, cross-dressing baroness rejected the rules of propriety by having sexual liaisons with men and women alike, publishing novels and plays under the name George Sand. Grounded by research yet highly accessible and engaging, these provocative, astonishing stories reveal the complex motives of writers who harbored secret identities—sometimes playfully, sometimes with terrible anguish and tragic consequences. A wide-ranging examination of pseudonyms both familiar and obscure, *Nom de Plume* is part detective story, part exposé, part literary history, and an absorbing psychological meditation on identity and creativity.

*Marginal Subjects* Sep 10 2020 Late nineteenth-century Spanish fiction is populated by adulteresses, prostitutes, seduced women, and emasculated men - indicating an almost obsessive interest in gender deviance. In *Marginal Subjects*, Akiko Tsuchiya shows how the figure of the deviant woman--and her counterpart, the feminized man - revealed the ambivalence of literary writers towards new methods of social control in Restoration Spain. Focusing on works by major realist authors such as Benito Pérez Galdós, Emilia Pardo Bazán, and Leopoldo Alas (Clarín), as well as popular novelists like Eduardo López Bago, *Marginal Subjects* argues that these archetypes were used to channel collective anxieties about sexuality, class, race, and nation. Tsuchiya also draws on medical and anthropological texts and illustrated periodicals to locate literary works within larger cultural

debates. *Marginal Subjects* is a riveting exploration of why realist and naturalist narratives were so invested in representing gender deviance in fin-de-siècle Spain.

[Women of the Left Bank](#) Feb 25 2022 A “valuable and intriguing” study of the lives and works of literary women who shaped expatriate Paris (NPR). Focusing on some two dozen American, English, and French women whose talent shaped the Paris expatriate experience in the early twentieth century, from Anais Nin to Alice B. Toklas and beyond, this book shines new light on how gender was experienced and expressed during an important moment in modern literary history. “Shari Benstock . . . weaves together, with great skill, the histories of an extraordinary group of talented women—publishers like Sylvia Beach, Caresse Crosby, Margaret Anderson, and Jane Heap, novelists Jean Rhys, Gertrude Stein, and Edith Wharton. She examines in some depth the writing produced by poets, journalists and novelists, thus combining literary criticism and social history in a seamless running narrative.” —NPR “Through their writings, including unpublished and newly available documentary sources of the period, Djuna Barnes, Nancy Cunard, Jean Rhys, Gertrude Stein, Edith Wharton and others are revealed as significant in the development of modernism, imagism and other avant-garde movements in which they were overshadowed or ignored by their male counterparts. . . . Benstock tracks the sexually liberated lifestyles and the creative originality of these women with a wealth of documentation.” —Publishers Weekly “An inspiration, setting a standard for literary history and feminist criticism that will be difficult to surpass.” —American Literature

*Literature in the Marketplace* Jul 21 2021 This wide-ranging and innovative collection of essays addresses important issues in cultural studies and the history of the book. Multidisciplinary in approach, the essays consider different aspects of the production, circulation, and consumption of printed texts throughout the nineteenth century. Topics studied include market trends, modes of publication, the use of pseudonyms by women writers, readerships and reading ideologies, and

copyright law; and the book examines a wide range of printed materials, from valentines, advertisements, illustrations, and fashionable annuals, to the more traditional literary genres of poetry, fiction and periodical essays. The authors under discussion include Dickens, the Brontës, George Eliot, Meredith, and Walter Pater. Contributors draw on speech-act, reader-response, and gender theory in addition to various historical, narratological, materialist, and bibliographical perspectives.

Hot Sur Oct 12 2020 From revered Colombian writer Laura Restrepo comes the smart, thrilling story of a young woman trying to outrun a nightmare. María Paz is a young Latin American woman who, like many others, has come to America chasing a dream. When she is accused of murdering her husband and sentenced to life behind bars, she must struggle to keep hope alive as she works to prove her innocence. But the dangers of prison are not her only obstacles: gaining freedom would

mean facing an even greater horror lying in wait outside the prison gates, one that will stop at nothing to get her back. Can María Paz survive this double threat in a land where danger and desperation are always one step behind, and safety and happiness seem just out of reach?

Maruja Mallo and the Spanish Avant-Garde Jan 15 2021 The first book in English on Maruja Mallo, this volume is an insightful examination of the life and work of this seminal artist of the Spanish avant-garde. Previously sidelined by a culture that treated women as "insider-outsiders" and by her own mythmaking, Mallo no longer can be viewed as simply a muse to famous counterparts such as Salvador Dalí and Federico García Lorca; her role has been re-contextualized to demonstrate that she was a driving force in the flowering of Spanish culture through the 1920s and 1930s. The analysis of Mallo's unique life and extraordinary art is set against the complicated social and political backdrop of interwar Madrid. This book highlights the struggle of Mallo and other women artists against the rampant misogyny of both Spanish culture and the avant-garde community of the time. The effects of the Spanish Civil War are also analyzed—in Mallo's case, Franco's victory forced her into exile in South America for almost 30 years, with profound effects on her art and her life. Added to this rich context, the author's numerous interviews with members of the Mallo family provide essential new background material. *Maruja Mallo and the Spanish Avant-Garde* recasts this artist as a vital figure in the heretofore all-male establishment of the Spanish artistic vanguard.

**Ladies Almanack** May 07 2020 Barnes's affectionate lampoon of the expatriate lesbian community in Paris was privately printed in 1928. Arranged by month, it records the life and loves of Dame Evangeline Musset (modeled after salon hostess Natalie Barney) in a robust style taken from Shakespeare and Robert Burton's *Anatomy of Melancholy*, and is illustrated throughout with Barnes's own drawings. This new edition is a facsimile of the 1928 edition with the addition of an afterword providing details on the book's origins and a key to its real-life models.

**An Apartment on Uranus** Aug 02 2022 A “dissident of the gender-sex binary system” reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also

the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the “third sex” and the rights of those who “love differently.” Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. “My trans condition is a new form of uranism,” he writes. “I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism.” This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. *An Apartment on Uranus* is a bold, transgressive, and necessary book.

*The Book of Spice: From Anise to Zedoary* Nov 24 2021 At once familiar and exotic, spices are rare things, comforting us in favorite dishes while evoking far-flung countries, Arabian souks, colonial conquests and vast fortunes. John O'Connell introduces us to spices and their unique properties, both medical and magical, alongside the fascinating histories behind both kitchen staples and esoteric luxuries. A tasty compendium of spices and a fascinating history and wide array of uses of the world's favorite flavors—*The Book of Spice: From Anise to Zedoary* reveals the amazing history of spices both familiar and esoteric. John O'Connell's erudite chapters combine history with insights into art, religion, medicine, science, and is richly seasoned with anecdotes and recipes. Discover why Cleopatra bathed in saffron and mare's milk, why wormwood-laced absinthe caused eighteenth

century drinkers to hallucinate and how cloves harvested in remote Indonesian islands found their way into a kitchen in ancient Syria. Almost every kitchen contains a bottle of cloves or a stick of cinnamon, almost every dish a pinch of something, whether chili or cumin. The Book of Spice is culinary history at its most appetizing.

**Sexual Anarchy** May 19 2021 'Sexual anarchy' - dire predictions, disasters, apocalypse - became the hallmark of the closing decades of the nineteenth century. The New Woman and the Odd Woman threatened male identity and self-esteem; the emergence of feminism and homosexuality meant the redefining of masculinity and femininity. This is the terrain which Elaine Showalter explores with such consummate originality and wit. Looking at parallels between the ends of the 19th and 20th centuries and their representations in literature, art and film, she ranges over the trial of Oscar Wilde, the public furore over prostitution and syphilis, moral outrage over the breakdown of the family, abortion rights and AIDS. High and low culture - from male quest romances to contemporary male bonding movies (Heart of Darkness reworked into Apocalypse Now), Freud to Fatal Attraction - all are part of this scholarly and entertaining study of the fin de siècle.
