Being Peace Jul 24 2019 In this classic collection of lectures, Buddhist monk, scholar, poet and peace activist Thich Nhat Hanh shows us that suffering is not enough; for in order to achieve peace, we must be peace. Quite simply, if we are not happy, if we are not peaceful, we cannot share peace and happiness with others. Therefore, Thich Nhat Hanh explains how, if we are to change the world, we must begin with ourselves and awaken the loving potential of our own Buddhist natures. We must learn to smile at the wonders that surround us every day, for if we cannot smile, the world will not have peace.

Climate Change and Nuclear Power 2020 Nov 27 2019 This publication provides an update on the current status of nuclear power and prospects for its contribution, together with other low carbon energy sources, to ambitious mitigation strategies that will help the world limit global warming to 1.5°C in line with the 2016 Paris Agreement. Since 2000, the IAEA has issued such information and analysis regularly, in order to support those Member States that choose to include nuclear power in their energy system as well as those considering other strategies. The focus of the 2020 publication is on the significant potential of nuclear energy, integrated in a low carbon energy system, to contribute to the 1.5°C climate change mitigation target, and the challenges of realizing this potential. Energy system and market related factors affecting the transition to a low carbon energy system are reviewed. This edition also outlines developments needed to realize the large scale capacity increase required to rapidly decarbonize the global energy system in line with limiting global warming to 1.5°C.

Steps To Knowledge: The Book of Inner Knowing Dec 29 2019 Steps to Knowledge: The Book of Inner Knowing Steps to Knowledge is the Book of Inner Knowing. Its one-year study plan, which is divided into 365 "steps," or lessons, is designed to enable students to learn to experience and to apply their Self-Knowledge, or Spiritual Power, in the world. Steps to Knowledge sets out to accomplish this task in a step-by-step manner as students are introduced to the essential ideas and practices which make such an undertaking possible. Practicing every day provides a solid foundation of experience and develops the thinking, perception and self-motivation necessary for both worldly success and spiritual advancement. Steps to Knowledge describes Knowledge in the following way: "Knowledge represents your True Self, your True Mind and your True Relationships in the universe. It also possesses your greater calling in the world and a perfect utilization of your nature, all of your inherent abilities and skills, even your limitations, all to be given for good in the world." (Step 2) Knowledge is the deeper spiritual mind that the Creator has given to each person. It is the source of all meaningful action, contribution and relationships. It is our natural Inner Guidance system. Its reality is mysterious, but its Presence can be directly experienced. Knowledge is remarkably wise and effective in guiding each person in finding his or her right relationships, work and contribution. It is equally effective in preparing one to recognize the many pitfalls and deceptions that exist along the way. It is the basis for seeing, knowing, and acting with certainty and strength. It is the foundation of life. Steps to Knowledge has been provided as a Way for individuals who feel that a spiritual calling and purpose are emerging in their lives, but who need a new approach to fully comprehend what this means. Often these individuals have felt this pull for a long time. Steps provides a foundation upon which they can begin to respond to this calling. The only entrance requirement is the determination to know one's purpose, meaning and direction.

Poems of Love and War Jun 26 2022 10/13/201010/13/2010

In Praise of the Goddess Sep 05 2020 About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives' dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

Castes of Mind Mar 12 2021 When thinking of India, it is hard not to think of caste. In academic and common parlance alike, caste has become a central symbol for India, marking it as fundamentally different from other places while expressing its essence. Nicholas Dirks argues that caste is, in fact, neither an unchanged survival of ancient India nor a single system that reflects a core cultural value. Rather than a basic expression of Indian tradition, caste is a modern phenomenon--the product of a concrete historical encounter between India and British colonial rule. Dirks does not contend that caste was invented by the British. But under British domination caste did become a single term capable of naming and above all subsuming India's diverse forms of social identity and organization. Dirks traces the career of caste from the medieval kingdoms of southern India to the textual traces of early colonial archives; from the commentaries of an eighteenth-century Jesuit to the enumerative obsessions of the late-nineteenth-century census; from the ethnographic writings of colonial administrators to those of twentieth-century Indian scholars seeking to rescue ethnography from its colonial legacy. The book also surveys the rise of caste politics in the twentieth century, focusing in particular on the emergence of caste-based movements that have threatened nationalist consensus. Castes of Mind is an ambitious book, written by an accomplished scholar with a rare mastery of centuries of Indian history and anthropology. It uses the idea of caste as the basis for a magisterial history of modern India. And in making a powerful case that the colonial past continues to haunt the Indian present, it makes an important contribution to current postcolonial theory and scholarship on contemporary Indian politics.

The Irrationals Oct 19 2021 The first popular history of irrational numbers and their discoverers, from ancient Greece to the twenty-first century The ancient Greeks discovered them, but it wasn't until the nineteenth century that irrational numbers were properly understood and rigorously defined, and even today not all their mysteries have been revealed. In *The Irrationals*, the first popular and comprehensive book on the subject, Julian Havil tells the story of irrational numbers and the mathematicians who have tackled their challenges, from antiquity to the twenty-first century. Along the way, he explains why irrational numbers are surprisingly difficult to define—and why so many questions still surround them. Fascinating and illuminating, this is a book for everyone who loves math and the history behind it.

Baseball Haiku: The Best Haiku Ever Written about the Game Oct 26 2019 Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and *Baseball Haiku* captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, *Baseball Haiku* reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does *Baseball Haiku* evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled

veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, *Baseball Haiku* is an extraordinary treasure for any true baseball fan.

A Time To Love May 26 2022 War correspondent Jennie King thinks she's just a temporary guest in her grandmother's Amish community while she recuperates from the devastating injuries sustained in a car bomb attack that changed her world. But when she meets Matthew Bontrager, the man she had a crush on as a teenager, she wonders if God has a new plan for her. Jennie has emotional and physical scars and though she feels she has come home to this man and this place, she's not sure she can bridge the difference between their worlds.

In the Field of Grace Oct 07 2020 Two women. All alone. With no provision...Can they find hope in a foreign land? Ruth leaves her home with a barren womb and an empty future after losing her husband. She forsakes her abusive parents and follows the woman she has grown to love as a true parent, her late husband's mother, Naomi. Ruth arrives in Israel with nothing to recommend her but Naomi's love. She is destitute, grief-stricken, and unwanted by the people of God. But God has great plans for her. While everyone considers Ruth an unworthy outsider, she is shocked to find the owner of the field—one of the wealthiest and most honored men of Judah—is showing her favor. Long since a widower and determined to stay that way, Boaz finds himself irresistibly drawn to the foreign woman with the dark, haunted eyes. He tells himself he is only being kind to his cousin Naomi's chosen daughter when he goes out of his way to protect her from harm, but his heart knows better. Obstacles. Heartache. Withered dreams. How can God forge love, passion, and new hope between two such different people?

The Secret Hum of a Daisy Jul 16 2021 Twelve-year-old Grace and her mother have always been their own family, traveling from place to place like gypsies. But Grace wants to finally have a home all their own. Just when she thinks she's found it her mother says it's time to move again. Grace summons the courage to tell her mother how she really feels and will always regret that her last words to her were angry ones. After her mother's sudden death, Grace is forced to live with a grandmother she's never met. She can't imagine her mother would want her to stay with this stranger. Then Grace finds clues in a mysterious treasure hunt, just like the ones her mother used to send her on. Maybe it is her mother, showing her the way to her true home. Lyrical, poignant and fresh, *The Secret Hum of a Daisy* is a beautifully told middle grade tale with a great deal of heart.

The Primary Classical Language of the World Aug 17 2021 'Tamil' is one of those words whose origin and root-meaning are wrapped up in mystery. All that we can say at present without any fear of contradiction is, that it is a pure Tamil word being current as the only name of the language of the Tamils, from the days that preceded the First Tamil Academy established at Thenmadurai on the river pahruli in the submerged continent. After some of the Vedic Aryans migrated to the South, Tamil got the descriptive name 'Tenmoli' lit. 'the southern language', in contradistinction to the Vedic language or Sanskrit which was called 'Vadamoli', lit. 'the northern language'. The word 'Tamil' or 'Tamilan' successively changed into 'Dramila', 'Dramila', 'Dramida' and 'Dravida' in North India and at first denoted only the Tamil language, as all the other Dravidian dialects separated themselves from Tamil or came into prominence one by one only after the dawn of the Christian era. That is why Sanskrit and Tamil came to be known as Vadamoī and Tenmoli respectively. This distinction could have arisen only when there were two languages standing side by side, one in the North and the other in the South, both coming in contact with each other. The Buddhist Tamil Academy which flourished in the 5th century at Madurai went by the name of 'Travida Sangam'.

Wake Up, Woods May 02 2020 Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays. *Wake Up, Woods* showcases the splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of *Wake Up, Woods* will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. This book celebrates some of nature's most fascinating moments that happen in forests where we live and play.

The Heartfulness Way Nov 07 2020 "A must-read for anyone interested in incorporating meditation into their lifestyle." --Sanjay Gupta, MD, chief medical correspondent for CNN **Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions.** In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person's faith. Our modern, fast-paced world can be an overwhelming place. Every day, we're bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji's own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning "Natural Path"—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, The Heartfulness Way goes further, providing a pragmatic course to experience those states for oneself, which, per the book's guiding principle, is "greater than knowledge." Heartfulness meditation consists of four elements—relaxation, meditation, cleaning, and prayer—and illuminates the ancient, defining feature of yogic transmission (or pranahuti), the utilization of divine energy for spiritual growth and transformation. Using the method, detailed practices, tips, and practical philosophy offered in this book, you'll reach new levels of attainment and learn to live a life more deeply connected to the values of the Heartfulness way—with acceptance, humility, compassion, empathy, and love.

Janey the Vet Jan 10 2021 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

Reality at Dawn Feb 20 2022 Reality at Dawn Is one of the greatest yogic texts of the modern era. Written in the 1940s by Ram Chandra of Shahjahanpur, known as Babuji, it lights the path for seekers to explore Realisation and further onwards to the Centre of existence itself. Babuji writes in simple language, unravelling the most profound principles and wisdom, and it is from this deep wisdom that the practices of Heartfulness emerged. "Babuji has laid out the practical steps to reach the highest spiritual state available to human beings. He has also made this possibility available to all, no matter their current level of attainment, culture, education or background. In doing so, he has demystified spirituality and given it to the people."

Plain Roots Feb 08 2021 Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
