Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

Peace Like a River Jul 18 2021 Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Engler tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Engler's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

Lord of the Flies Aug 26 2019 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the

greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Hounded (with two bonus short stories) Apr 26 2022 The first novel in the New York Times bestselling Iron Druid Chronicles—the hilarious, action-packed tales of a two-thousand-year-old Druid pursued by ancient gods in the modern world “A page-turning and often laugh-out-loud-funny caper through a mix of the modern and the mythic.”—Ari Marmell, author of *The Warlord’s Legacy* Atticus O’Sullivan is the last of the ancient druids. He has been on the run for more than two thousand years and he’s tired of it. The Irish gods who want to kill him are after an enchanted sword he stole in a first-century battle, and when they find him managing an occult bookshop in Tempe, Arizona, Atticus doesn’t want to uproot his life again. He just wants everything to end one way or another, but preferably the way in which he can continue to enjoy fish and chips. He does have some small hope of survival: The Morrigan, the Irish Chooser of the Slain, is on his side, and so is Brigid, First Among the Fae. His lawyer is literally a bloodsucking vampire, and he has a loyal Irish wolfhound with opinions about poodles. But he’s facing down some mighty enemies: Aenghus Óg, a vengeful Irish god, plus a coven of witches and even the local police. On top of all that, Aenghus has a direct line to the firepower of hell. Atticus

will need all the luck of the Irish and more if he's going to stay alive. Don't miss any of The Iron Druid Chronicles: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED | SCOURGED | BESIEGED

Big Trouble Aug 07 2020 Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida. In the city of Coconut Grove, Florida, these things happen: A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell. His teenage son, Matt, fills a Squirtmaster 9000 for his turn at a high school game called Killer. Matt's intended victim, Jenny Herk, sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once. Jenny's alcoholic and secretly embezzling stepfather, Arthur, emerges from the maid's room, angry at being rebuffed. Henry and Leonard, two hit men from New Jersey, pull up to the Herks' house for a real game of Killer, Arthur's embezzlement apparently not having been quite so secret to his employers after all. And a homeless man

named Puggy settles down for the night in a treehouse just inside the Herks' yard. In a few minutes, a chain of events that will change the lives of each and every one of them will begin, and will leave some of them wiser, some of them dead, and some of them definitely looking for a new line of work. With a wicked wit, razor-sharp observations, rich characters, and a plot with more twists than the Inland Waterway, Dave Barry makes his debut a complete and utter triumph.

The War for Gloria Oct 21 2021 A NEW YORK TIMES

NOTABLE BOOK OF THE YEAR • This “deeply immersive novel” (The Washington Post) from the author of the award-winning *Preparation for the Next Life* is an “epic coming-of-age tale filled with pain, heartache, fear, and undying love” (The Associated Press), as a young man’s yearning to protect his dying mother requires him to risk destroying his estranged, enigmatic, powerful father. “From its hypnotic opening pages, we find ourselves in the sure hands of a roaming omniscient narrator, one who knows intimately the beating hearts of its two central characters” —Andre Dubus III, *The New York Times Book Review* Corey Goltz grows up in the working-class outskirts of Boston as the only child of Gloria, whose ambitions were derailed early but who has always given her son everything she can. Atty at Law Jun 16 2021 Introducing Atticus Peale! A debut middle-grade novel featuring a savvy sleuthing heroine sends a powerful message about standing up for others. Atticus Peale is desperately trying to save the life of a dog in the animal shelter where she volunteers. And an alligator in the swamp who only allegedly tried to eat a fisherman. Her father named her after his favorite character, a lawyer in a famous book, but everyone calls her Atty, and no one, except her dad, stepmom, and stepbrother, thinks she's old enough to make a legal case for those who, as Atty points out, can't speak up for themselves. She's learning some law basics from her dad, who is defending an illiterate man in town on a murder charge. But when strange occurrences begin to threaten Atty's efforts, she isn't sure which is more difficult: coming to the defense of the voiceless, countering the sideways looks she and her biracial family get in their Alabama town, or navigating the social scene of middle school. But one thing she is sure of: Jethro Gersham did not kill anyone, and she is determined to find out who did. Full of grit, curiosity, and also all the awkwardness and anxiety that comes with turning twelve, readers will cheer for Atty's success and survival!

To Kill a Mockingbird is one of the best loved novels of the twentieth century. Yet for the last fifty years, the novel's celebrated author, Harper Lee, known to her friends as Nelle, has said almost nothing on the record. But in 2001, Nelle and her sister, Alice Finch Lee, opened their door to Chicago Tribune journalist Marja Mills. It was the beginning of a long conversation—and a wonderful friendship. Mills was given a rare opportunity to know Nelle, to be a part of the Lees' life in Alabama, and to hear them reflect on their upbringing, their corner of the Deep South, and how To Kill a Mockingbird affected their lives.

Fifteen Dogs Apr 02 2020 Winner of the 2015 Scotiabank Giller Prize Finalist for the 2015 Toronto Book Awards Winner of the 2015 Rogers Writers' Trust Fiction Prize "[Alexis] devises an inventive romp through the nature of humanity in this beautiful, entertaining read ... A clever exploration of our essence, communication, and how our societies are organized." – Kirkus Reviews "This might be the best set-up of the spring." – The Globe & Mail "André Alexis has established himself as one of our preeminent voices." – Toronto Star — I wonder, said Hermes, what it would be like if animals had human intelligence. — I'll wager a year's servitude, answered Apollo, that animals – any animal you like – would be even more unhappy than humans are, if they were given human intelligence. And so it begins: a bet between the gods Hermes and Apollo leads them to grant human consciousness and language to a group of dogs overnighing at a Toronto veterinary clinic. Suddenly capable of more complex thought, the pack is torn between those who resist the new ways of thinking, preferring the old 'dog' ways, and those who embrace the change. The gods watch from above

as the dogs venture into their newly unfamiliar world, as they become divided among themselves, as each struggles with new thoughts and feelings. Wily Benjy moves from home to home, Prince becomes a poet, and Majnoun forges a relationship with a kind couple that stops even the Fates in their tracks. André Alexis's contemporary take on the apologue offers an utterly compelling and affecting look at the beauty and perils of human consciousness. By turns meditative and devastating, charming and strange, *Fifteen Dogs* shows you can teach an old genre new tricks. André Alexis was born in Trinidad and grew up in Canada. His debut novel, *Childhood*, won the Books in Canada First Novel Award, the Trillium Book Award, and was shortlisted for the Giller Prize and the Writers' Trust Fiction Prize. His other previous books include *Asylum*, *Beauty and Sadness*, *Ingrid & the Wolf* and, most recently, *Pastoral*, which was also nominated for the Rogers Writers' Trust Fiction Prize and was named a *Globe and Mail* Top 100 book of 2014.
