Rya Knots and Splices Handbook Apr 25 2022

Knots, Splices and Rope Work Jun 03 2020 The history of ropes and knots is so dim and ancient that really little is known of their origin. That earliest man used cordage of some kind and by his ingenuity succeeded in tying the material together, is indisputable, for the most ancient carvings and decorations of prehistoric man show knots in several forms. Doubtless the trailing vines and plants first suggested ropes to human beings; and it is quite probable that these same vines, in their various twistings and twinings, gave man his first idea of knots. Since the earliest times knots have been everywhere interwoven with human affairs; jugglers have used them in their tricks; they have become almost a part of many occupations and trades, while in song and

story they have become the symbol of steadfastness and strength.

Knots & Splices Jul 29 2022 Well-priced and extremely popular. -Ideal for any sailor both afloat and ashore. -Over 150 step by step photographs describe clearly the tying of over 30 knots and splices.

The Knot Bible Apr 13 2021 The complete and definitive bible of knots for seafarers. Featuring all the knots, hitches, bends, splices, whipping and decorative knotwork that you would find on a boat, this comprehensive bible of knots will help those who go to sea master every knot they will need. Over 200 knots are scored for strength, reliability, ease of tying (and untying) and usefulness. Step by step photographs show how to tie each knot, and demonstrate how they can be used, such as in the rigging or for tying boats up. Interesting knot know-how sections give extra information about the knot's history, plus helpful tips and techniques, including choosing the right rope for the right task and using the right knot. With a beautiful modern design, and highly illustrated with full colour photographs and instructive diagrams throughout, The Knot Bible remains accessible to all sailors of all levels of experience whilst still being the king of knot books.

The Everything Knots Book Oct 08 2020 Simple instructions on how to tie over 100 useful and decorative knots A well-tied knot is at once a practical tool and a work of art. With names like "hangman's noose" and "wagoneer's hitch," knots have a rich history of usefulness and an aesthetic appeal all their own. From the boat to the backyard, The Everything Knots Book provides simple instructions on how to tie knots for any situation. Written by Randy Penn, a member of the International Guild of Knot Tyers, this handy guide walks readers through the basics and offers myriad suggestions for creative uses of these knots. Mr. Penn shows readers how to: Choose the right rope and knot for the job Tie knots safely and securely Create decorative knots for clothing and accessories Practice knot-tying through games and exercises Packed with easy-to-follow instructions and clear illustrations, The Everything Knots Book makes learning this useful skill fun and easy.

for making all the useful and ornamental knots that are in common use. There are chapters covering splicing, pointing, seizing and serving, etc. This text is ideal for campers, yachtsmen, Boy Scouts, and anyone interested in knots.

The Year of Knots Dec 30 2019 An acclaimed artist celebrates the creative possibilities of macramé and knots in this memoir and guide featuring projects and tutorials. Every day for a year, artist Windy Chien learned to tie a new kind of knot and then shared the results on Instagram—a project that both reinvented her life and revolutionized knot art. In *The Year of Knots*, Chien describes how knot-making led her on a path of discovery. She shares projects, tutorials, and transformative personal stories, all aimed at inspiring readers to make knotting—and creativity in general—part of a meditative daily practice. The knots in this book are gorgeously documented step-by-step. Knotted projects abound—from wall hangings to a necklace, a dog leash, a hanging light, and more. At the heart of the story is the simple, empowering idea that a single year is all the time you need to make a life-changing creative leap.

Brown's Knots and Splices - With Tables of Strengths of Ropes, Etc. and Wire Rigging Aug 18 2021 This vintage book contains a detailed handbook on knots and splices, being a compact and systematic list of all the most useful and important workings connected with cordage. It contains clear explanations of their various formations. Complete with detailed illustrations and a wealth of handy tips, this thorough guide will be of special utility to those looking to increase their knowledge of knots, and it would make for a great addition to collections of allied literature. The chapters of this volume include: “Knots, Bends, Splices”, “Knots, Bends, and Hitches for Uniting Ropes”, “Knots Forms on Ropes by Their Own Strands”, “Splices”, “Purchases”, “Miscellaneous Odds and Ends”... and much more. We are republishing this book now in an affordable, modern, high quality edition - complete with a specially commissioned new introduction on rope, knots, and nets.

Splicing Modern Ropes Jan 11 2021 The time when every vessel going to sea made use of 3-strand rope has

gone. Splicing that type of rope and cord is relatively straightforward. Nowadays the most common type of rope used on board yachts, dinghies, motorboats, working boats and ferries is braided rope. Few people have the knowledge to splice it, or even where to start. *Splicing Modern Ropes* is the first guide to this essential skill. It explains why splices are better – and stronger – than knots or shackles for joining or shortening rope, and how to go about it. With this skill, yachtsmen can customise their ropes, optimise their deck layout, taper their sheets for ease of handling, and splice an extra cover on their ropes to give better grip, avoid chafe and make them last longer. Using clear, step-by-step photography and detailed instructions, this book will guide readers through all the stages required to make strong, reliable splices.
