Florida Real Property Sales Transactions Oct 21 2021 Florida Real Property Sales Transactions covers all the issues a practitioner is likely to encounter when involved in a real property sales transaction in Florida: from the initial attorney-client discussion about clauses in a contract for sale and purchase, to the documents required at a closing, as well as most points in between. Highlights of the New Edition include: □Impact of the Obergefell decision on same-sex marriages with respect to title considerations. □Discussion of local government financing of energy-related qualifying improvements under F.S. 163.08 □Elaboration on guaranties, specifically in regard to the effect the Dodd-Frank Wall Street Reform and Consumer Protection Act has over them. □Updated statutory and case law. Newly Revised Contracts and Forms □Florida Bar and the Florida Association of REALTORS Residential Contract for Sale and Purchase (rev. 4/17). □Florida Association of REALTORS

Residential Sale and Purchase Contract (CRSP-15) ¶Florida Bar and the Florida Association of REALTORS Comprehensive Rider (CR-5) ¶Florida Association of REALTORS Comprehensive Addendum (CRSP-15 Addenda) ¶Enhanced Life Estate Deed ¶Trustee's Affidavit

Australian Property Law Oct 28 2019 Australian Property Law: Cases and Materials, 5th Edition remains a comprehensive collection of statutes, cases and reference material on Australian real and personal property with notes and questions to provoke fuller understanding and matters for reconsideration.

North Carolina Real Estate Law Sep 07 2020 This book is designed as a text book covering the major issues of real estate law. Designed with both the student and practitioner in mind, the text strikes a balance between theory and practice. The author develops the foundation of North Carolina real property law and then puts theory into practice by describing numerous practical applications, from creating offer of purchase contracts to title searches. Although there are real estate texts available that concentrate exclusively on North Carolina law, they fall into two camps: theory or practice. This text balances the competing needs of students and practitioners by addressing both concerns. The text explains the theoretical bases of real property law in North Carolina and then provides practical, hands-on examples of how to apply this theoretical knowledge. For this new edition, Bevans updated and revised information throughout the text.

Real Estate Law Apr 14 2021 Unlike existing textbooks written for law students on specific subjects impacting real estate transactions, Real Estate Law: Fundamentals for The Development Process uses "The Development Process" as a framework for understanding how the U.S. legal system regulates, facilitates, and generally impacts real estate transactions and their outcomes. This book not only addresses the nature of specific legal issues directly relating to real estate transactions but also how those issues may best be identified and addressed in advance. This book breaks down the myriad of laws influencing the selection, acquisition, development, financing, ownership, and management of real estate, and presents them in context. Readers of Real Estate Law will gain a practical understanding, from the perspective of a real property developer or real estate executive, investor, or lender, of: how to identify potential legal issues before they arise; when to involve a real estate attorney; how to select an attorney with the appropriate, relevant experience; and how to efficiently and economically engage and manage legal counsel in addressing real estate issues. Written as a graduate-level text book, Real Estate Law comes with numerous useful features including a glossary of terms, chapter summaries, discussion questions, further reading, and a companion website with instructor resources. It is a resource of great value to real estate and finance professionals, both with and without law degrees, engaged in one aspect or another of real estate development and finance, who want to become more conversant in the legal issues impacting these transactions.

Real Estate Law May 04 2020 Discover the challenges and success found in the law of real estate ownership, transfer, and development as REAL ESTATE LAW, 11E brings the day-to-day transactions of today's real estate marketplace to life. This practical hands-on study of the laws affecting real property offers lively case selections and clear discussions of the rules and regulations of contemporary real estate. This book's unique, realistic approach has received significant praise for its ability to teach future and practicing professionals to recognize, prevent, and resolve legal problems. This edition keeps readers actively engaged with the latest changes in the law, new cases, and surprising developments, ranging from endless foreclosures to liability issues for birds landing in one's buildings. Lytton's Handbook on Texas Property Law Oct 09 2020 Knowing all the ins and outs of property law from state to state can be a difficult and time-consuming task. When issues arise related to ownership and tenancy of property, it is important for lawyers, real estate brokers and agents, and landmen to have an efficient and comprehensive way to both understand and clarify the precedents, regulations, and rights associated with state property laws. Lytton's Handbook on Texas Property Law covers a broad expanse of various aspects of Texas property law, and it offers a range of comprehensive perspectives on many topics related to property, ownership, sovereignty, and landlord/tenant rights. Containing thirty chapters with extensive citations to legal authority, it provides law and real estate professionals with a user-friendly and practical guidebook for quickly and efficiently navigating and understanding Texas property law, codes, and legal precedent. When legal disputes arise related to owning and leasing property; maintaining estates; managing residential or commercial tenancies and condominiums; handling deeds, mortgages, and covenants; and controlling rights to waters, soils, and products of the land, this comprehensive handbook can help both professionals and laypersons better understand both the laws and how to approach resolution.

The Real Property Law of the State of New York Feb 10 2021

Real Property Law in China May 16 2021 Written for legal professionals who deal with foreign investments and real property transactions in China, this book discusses the key laws and regulations relevant to foreign investment in various types of transactions involving real property rights and to illustrate the application of those laws through an examination of exemplar projects.

Commonwealth Caribbean Property Law Nov 21 2021 This 5th edition of Commonwealth Caribbean Property Law sets out

clearly and concisely the central principles of the law of real property in the region, guiding students through this core but often complex subject area. Fully revised and updated to include important new case law from the various Caribbean jurisdictions, the book provides comprehensive coverage of the key topics studied by undergraduates, including co-ownership, leaseholds, condominium, restrictive covenants, easements, mortgages and adverse possession. Emphasis is on those areas that are most commonly litigated in the region, and the book contains discussion of, or reference to, many unreported cases. This new edition features expanded coverage of freehold estates, a glossary of key terms, and a new question and answer section at the end of the book. Commonwealth Caribbean Property Law is essential reading for LLB students in Caribbean universities and students on CAPE Law courses and, with its analysis of the substantive laws across several jurisdictions, it will continue to be an invaluable reference tool for legal practitioners in the region.

Disruptive Technology, Legal Innovation, and the Future of Real Estate Aug 26 2019 This book addresses challenges that new technologies and the big data revolution pose to existing regulatory and legal frameworks. The volume discusses issues such as blockchain and its implications for property transactions and taxes, three (or four) dimensional title registration, land use and urban planning in the age of big data, and the future of property rights in light of these changes. The book brings together an interdisciplinary collection of chapters that revolve around the potential influence of disruptive technologies on existing legal norms and the future development of real estate markets. The book is divided into five parts. Part I presents a survey of the current available research on blockchain and real estate. Part II provides a background on property law for the volume, grounding it in fundamental theory. Part III discusses the changing landscapes of property rights while Part IV debates the potential effects of blockchain on land registration. Finally the book concludes with Part V, which is devoted to new technological applications relevant to real estate. Providing an interdisciplinary perspective on emerging technologies that have the potential to disrupt the real estate industry and the regulation of it, this book will appeal to a broad audience, consisting of scholars, policy-makers, practitioners, and students, interested in real estate, law, economics, blockchain, and technology policy.

Bender's Selected Statutes of the State of New York Jun 24 2019

Introduction to the Law of Real Property Jan 24 2022 Basically a revised edition of [the author's] A preliminary survey of the law of real property.

Introduction to the Law of Real Property Jun 04 2020 This classic monograph presents a simple, concise and readable text of the history of the English common law scheme of estates in land, including future interests, and the scheme's importation to the United States. The text specially treats the types of interests a person can hold in land today and the associated legal rules that affect those interests. The text is peppered with many review problems to assist the reader in learning the material in the monograph.

A Practical Guide to Commercial Real Estate Transactions Jan 30 2020 For proven guidance and techniques for handling a commercial real estate deal, this practical guide will help you negotiate and close the deal. The authors cover each step of a real estate transaction in the order in which it generally arises, and offers pertinent advice, practice comments, and sample forms throughout. Because much of the real estate lawyer's practice revolves around transactional documents, the book's chapters emphasize the drafting, negotiation, and revision needed to get a deal closed. Written by a law professor and two real estate practitioners, this book offers a useful combination of text overview and practice pointers. It helps lawyers with less experience navigate through the maze of steps involved in a real estate transaction. At the same time, it serves as a valuable reference for more seasoned attorneys as well as those whose practice is concentrated in other areas of the law. Downloadable forms are available online.

Basic Real Estate and Property Law for Paralegals Jul 26 2019 This approachable textbook by Jeffrey A. Modern Chinese Real Estate Law Sep 27 2019 With massive growth taking place in the real estate industry, how can China develop a free market and private ownership of land while still officially subscribing to Communist ideology? This study uses fieldwork interviews to establish how the Chinese real estate market operates in practice from both legal and business perspectives. It describes how the market functions, which laws are applicable and how they are applied, and how a nation can achieve dramatic economic growth so rapidly while its legal system is so unsettled. The book demonstrates how China is drawing on the world for ideas while retaining a domestic system that remains essentially Chinese, and how the recent revitalization of China's real estate market has confounded the predictions of many developments economists.
