Autobiography of Mark Twain, Volume 3 Sep 05 2020 The surprising final chapter of a great American life. When the first volume of Mark Twain's uncensored Autobiography was published in 2010, it was hailed as an essential addition to the shelf of his works and a crucial document for our understanding of the great humorist's life and times. This third and final volume crowns and completes his life's work. Like its companion volumes, it chronicles Twain's inner and outer life through a series of daily dictations that go wherever his fancy leads. Created from March 1907 to December 1909, these dictations present Mark Twain at the end of his life: receiving an honorary degree from Oxford University; railing against Theodore Roosevelt Autobiography's "Closing Words" movingly commemorate his daughter Jean, who died on Christmas Eve 1909. Also included in this volume is the previously unpublished "Ashcroft-Lyon Manuscript," Mark Twain's caustic indictment of his "putrescent pair" of secretaries and the havoc that erupted in his house during their residency. Fitfully published in fragments at intervals throughout the twentieth century, Autobiography of Mark Twain has now been critically reconstructed and made available as it was intended to be read. Fully annotated by the editors of the Mark Twain Project, the complete Autobiography emerges as a landmark publication in American literature. Editors: Benjamin Griffin and Harriet Elinor Smith Associate Editors: Victor Fischer, Michael B. Frank, Amanda Gagel, Sharon K. Goetz, Leslie Diane Myrick, Christopher M. Ohge

Will Apr 12 2021 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Films of Endearment Dec 29 2019 "A lovely and loving book."—Will Schwalbe, New York Times bestselling author of The End of Your Life Book Club "I'm not sure I have ever read a book about movies that is as tender and open-hearted as Films of Endearment."—Mark Harris, New York Times bestselling author of Mike Nichols: A Life A poignant memoir of family, grief and resilience about a young man, his dynamic mother and the '80s movies they shared together Michael Koresky's most formative memories were simple ones. A movie rental. A mug of tea. And a few shared hours with his mother. Years later and now a successful film critic, Koresky set out on a journey with his mother to discover more about their shared cinematic past. They rewatched ten films that she first introduced to him as a child, one from every year of the '80s, each featuring women leads. Together, films as divergent as 9 to 5, Terms of Endearment, The Color Purple and Aliens form the story of an era that Koresky argues should rightly be called "The Decade of the Actress." Films of Endearment is a reappraisal of the most important and popular female-driven films of that time, a profound meditation on loss and resilience, and a celebration of the special bond between mothers and their sons.

Mark Twain's Autobiography Jul 16 2021

The Woman in Black Mar 12 2021 The classic ghost story from the author of The Mist in the Mirror: a chilling tale about a menacing spectre haunting a small English town. Arthur Kipps is an up-and-coming London solicitor who is sent to Crythin Gifford—a faraway town in the windswept salt marshes beyond Nine Lives Causeway—to attend the funeral and settle the affairs of a client, Mrs. Alice Drablow of Eel Marsh House. Mrs. Drablow's house stands at the end of the causeway, wreathed in fog and mystery, but Kipps is unaware of the tragic secrets that lie hidden behind its sheltered windows. The routine business trip he anticipated quickly takes a horrifying turn when he finds himself haunted by a series of mysterious sounds and images—a rocking chair in a deserted nursery, the eerie sound of a pony and trap, a child's scream in the fog, and, most terrifying of all, a ghostly woman dressed all in black. Psychologically terrifying and deliciously eerie, The Woman in Black is a remarkable thriller of the first rate. The basis for the major motion picture starring Daniel Radcliffe.
