Kabbalah for Beginners: An Introduction to Jewish Mysticism Sep 10 2020 The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

Learning Not Schooling Mar 05 2020 Learning Not Schooling: Reimagining the Purpose of Education examines how both the curiosity and the initiative of students in their formative years can be stimulated by partnering local schools with the world of adult work and professional expertise. This tactic addresses some of the issues that seem to continually plague us, such as how to help students learn more effectively in the modern age, or how to more fully address some of the perpetual inequities between different socioeconomic groupings. Drawing on his experiences from founding and directing a private school for students age six to fourteen, Lyn Lesch presents a new model for education in which learning for students increasingly occurs in the world of adult expertise, with classroom teachers taking on the role of conduits that not only prepare students to learn from professionals working in various fields but also assist them in absorbing the advanced information and knowledge they will be acquiring.

A Deal with the Devil Apr 17 2021 A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. A Deal with the Devil is book two in the Devil trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first.

The Empire State Series: A Week in New York, Autumn in London, New Year in Manhattan Oct 12 2020 Anna Kirby is sick of dating. She's tired of heartbreak. Despite being smart, sexy, and funny, she's a magnet for men who don't deserve her. A week's vacation in New York is the ultimate distraction from her most recent break-up, as well as a great place to meet a stranger and have some summer fun. But to protect her still-bruised heart, fun comes with rules. There will be no sharing stories, no swapping numbers, and no real names. Just one night of uncomplicated fun. Super-successful serial seducer Ethan Scott has some rules of his own. He doesn't date, he doesn't stay the night, and he doesn't make any promises. It should be a match made in heaven. But rules are made to be broken. The Empire State Series comprises the novellas A Week in New York, Autumn in London and New Year in Manhattan. Manual of Small Animal Emergency and Critical Care Medicine May 31 2022 Manual of Small Animal Emergency and Critical Care Medicine, Second Edition presents essential information on common emergencies in small animals using a concise, practical outline format. Offering a thorough update to this classic reference, the new edition provides new chapters on orthopedic injuries and wound management, significant revisions to the treatment protocols, and expanded toxicology information, as well as new references and drug information. The book retains its logical division into two parts, the first covering initial stabilization and the second offering a systems approach to specific conditions. As in the previous edition, chapters are extensively indexed and cross-referenced to facilitate ease of use in emergency situations. With many formulas, tables, drug dosages, and illustrations, Manual of Small Animal Emergency and Critical Care Medicine is an indispensable, convenient resource for busy emergency clinicians, whether they are new graduates or seasoned professionals.

Library Technology and User Services Mar 29 2022 Written as a technology guide for students, practitioners, and administrators, the focus of this book is on introducing current and future trends in library technology and automation within the larger context of strategic and systems planning, implementation, and continuous improvement. Technology is an essential resource for attaining both organizational and patron goals, and planning needs to emphasize the alignment between the clearly defined goals of each. For this alignment to occur on a consistent basis, goals must be designed, or engineered, in a systematic fashion where technology fulfills the need to deliver the desired outcomes in an efficient, cost-effective manner. The concept of usability engineering is also examined, where the technology is planned, designed, and implemented in such a way as to maximize utility and ease-of-use for users and employees. Readers of this book will understand both the why and the how of library technology, planning, and implementation articulated in a simple, easy-to-understand fashion. Delivered from academic, public, and school library media perspectives, current and emerging technologies are discussed along with their current and future application in the field of library and information science. Technology planning and integration is explained using a systems design process with scenarios and case studies that are articulated in a step-wise, holistic fashion.

Law, Rights and Ideology in Russia Oct 24 2021 Law, Rights and Ideology in Russia: Landmarks in the destiny of a great power brings into sharp focus several key episodes in Russia's vivid ideological engagement with law and rights. Drawing on 30 years of experience of consultancy and teaching in many regions of Russia and on library research in Russian-language texts, Bill Bowring provides unique insights into people, events and ideas. The book starts with the surprising role of the Scottish Enlightenment in the origins of law as an academic discipline in Russia in the eighteenth century. The Great Reforms of Tsar Aleksandr II, abolishing serfdom in 1861 and introducing jury trial in 1864, are then examined and debated as genuine reforms or the response to a revolutionary situation. A new interpretation of the life and work of the Soviet legal theorist Yevgeniy Pashukanis leads to an analysis of the conflicted attitude of the USSR to international law and human rights, especially the right of peoples to self-determination. The complex history of autonomy in Tsarist and Soviet Russia is considered, alongside the collapse of the USSR in 1991. An examination of Russia's plunge into the European human rights system under Yeltsin is followed by the history of the death penalty in Russia. Finally, the secrets of the ideology of 'sovereignty' in the Putin era and their impact on law and rights are revealed. Throughout, the constant theme is the centuries-long hegemonic struggle between Westernisers and Slavophiles, against the backdrop of the Messianism that proclaimed Russia to be the Third Rome, was revived in the mission of Soviet Russia to change the world and which has echoes in contemporary Eurasianism and the ideology of sovereignty.

Death in Florence (A Year in Europe Book 2) Feb 02 2020 "When you think that life cannot get better, Blake Pierce comes up with another masterpiece of thriller and mystery! This book is full of twists, and the end brings a surprising revelation. Strongly recommended for the permanent library of any reader who enjoys a very well-written thriller."

--Books and Movie Reviews (re Almost Gone) DEATH IN FLORENCE is book #2 in a charming new cozy mystery series by USA Today bestselling author Blake Pierce, whose #1 bestseller Once Gone has received 1,500 five-star reviews. The series (A YEAR IN EUROPE) begins with book #1 (A MURDER IN PARIS). Diana Hope, 55, is still adjusting to her recent separation when she discovers her ex-husband has just proposed to a woman 30 years younger. Secretly hoping they would reunite, Diana is devastated. She realizes the time has come to reimagine life without him! In fact, to reimagine her life, period. Devoting the last 30 years of her life to being a dutiful wife and mother and to climbing the corporate ladder, Diana has been relentlessly driven, and has not taken a moment to do anything for herself. Now, the time has come. Diana never forgot her first boyfriend, who begged her to join him for a year in Europe after college. She had wanted to go so badly, but it had seemed like a wild, romantic idea, and a gap year, she'd thought, would hinder her resume and career. But now, with her daughters grown, her husband gone, and her career no longer fulfilling, Diana realizes it's time for herself! And to take that romantic year in Europe she'd always dreamed of. Diana prepares to embark on the year of her life, finally turning to her bucket list, hoping to tour the most beautiful sights and sample the most scrumptious cuisines! And maybe, even, to fall in love again. But a year in Europe may have different plans in store for her. Can A-type Diana learn to go with the flow, to be spontaneous, to let down her guard and to learn to truly enjoy life again? In DEATH IN FLORENCE (Book #2), Diana arrives in Florence, ready to shake off the events of Paris and fulfill her lifelong dream of being proposed to on the romantic Ponte Vecchio bridge. But Diana can never possibly anticipate what she is about to find on that bridge, and how it may just turn her romantic dream into a ridiculous nightmare! A YEAR IN EUROPE is a charming and laugh-out-loud cozy mystery series, packed with food and travel, with mysteries that will leave you on the edge of your seat, and with experiences that will leave you with a sense of wonder. As Diana embarks on her quixotic quest for love and meaning, you will find yourself falling in love and rooting for her. You will be in shock at the twists and turns her journey takes as she somehow finds herself at the center of a mystery, and must play amateur sleuth to solve it. Fans of books like Eat, Pray, Love and Under the Tuscan Sun have finally found the cozy mystery series they've been hoping for! Book #3 (VENGEANCE IN VIENNA) in the series is now also available!

Local Models for Spatial Analysis, Second Edition Jul 01 2022 Written in recognition of developments in spatial data analysis that focused on differences between places, the first edition of Local Models for Spatial Analysis broke new ground with its focus on local modelling methods. Reflecting the continued growth and increased interest in this area, the second edition describes a wide range of methods which account for local variations in geographical properties. What's new in the Second Edition: Additional material on geographically-weighted statistics and local regression approaches. A better overview of local models with reference to recent critical reviews about the subject area. Expanded coverage of individual methods and connections between them. Chapters have been restructured to clarify the distinction between global and local methods. A new section in each chapter references key studies or other accounts that support the book. Selected resources provided online to support learning. An introduction to the methods and their underlying concepts, the book uses worked examples and case studies to demonstrate how the algorithms work their practical utility and range of application. It provides an overview of a range of different approaches that have been developed and employed within Geographical Information Science (GIScience). Starting with first principles, the author introduces users of GIS systems to the principles and application of some widely used local models for the analysis of spatial data, including methods being developed and employed in geography and cognate disciplines. He discusses the relevant software packages that can aid their implementation and provides a summary list in Appendix A. Presenting examples from a variety of disciplines, the book demonstrates the importance of local models for all who make use of spatial data. Taking a problem-driven approach, it provides extensive guidance on the selection and application of local models.

House of Kwa Aug 02 2022 Wild Swans meets Educated in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four

generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. **PRAISE FOR HOUSE OF KWA** 'House of Kwa enchants and enthralls like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

**MAND Feb 25 2022** The Morphological Atlas of the Dutch Dialects (MAND) presents word formation in Dutch and Frisian dialects at the end of the twentieth century in two comprehensive volumes. **Mediating Ideology in Text and Image May 19 2021** While ideology has been treated widely in CDA-literature, the role played by the interaction of text and image in multiplying meaning and furthering ideological stances has not so far received a lot of attention. Mediating Ideology in Text and Image offers a number of approaches to such analysis, offering students and academics valuable tools for identifying possible discrepancies between the world and the way it is represented through various mediational means. The authors' common aim is one of assisting the audience in reading between the lines, thus offering a variety of approaches that may contribute to a better understanding of how ideologies possibly work and how they may be denaturalised from text and image. The articles in part I look at rhetorical strategies used in meaning construction processes unfolding in various kinds of mass media. Part II focuses on the re-semiotization of meaning and looks at how analysing the combination of text and image may contribute to a better understanding of ideological processes brought about by multimodal resources. Foreword by Ruth Wodak.

**Mechanisms of Injury, Protection, and Repair of the Upper Gastrointestinal Tract Apr 05 2020** Based on the proceedings of a satellite symposium held in conjunction with the 9th World Congress of Gastroenterology, the aim of this volume is to present and discuss the latest data originating from leading laboratories in the field. The change in focus of current research to studies of chronic repair rather than acute responses, and deeper mucosal elements rather than surface phenomena, is apparent. Many of the chapters contain previously unpublished findings.

Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy

tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. This debut will leave you smiling.' Alissa Callen bestselling author of Snowy Mountains Daughter

**Life in Public Schools (RLE Edu L)** Sep 22 2021 Britain's public (that is, its major independent) schools have a conspicuous role in the country's social system, and as a result are the subject of a long-standing political debate. The discussion is generally founded on a stereotyped image of what these schools may have been like in the 1950s - this book shows how they were in the late 1980s. It is based on fieldwork in two major public boarding schools which the author conducted over an extended period, and draws on interviews, observation and documentary sources to establish a picture of what public school life is actually like for pupils and staff. Since the schools were predominantly male preserves, the major part of the book describes the social world and experiences of boys and school-masters. An important section of the book, however, discusses the introduction of girl pupils, the experiences of female teachers and the way schoolmasters' wives tend to be drawn into their husbands' work. Geoffrey Walford's conclusions about life in public schools differ considerably from traditional expectations. At the same time he asks whether there really has been a 'public school revolution'. His book makes an important contribution to our knowledge of public schools, to debates in the sociology of education and to the issues of abolishing or extending the independent sector.

**Once Upon a Scandal** Sep 30 2019 Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b\*tch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it... I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the Royally Screwed series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it :) Get ready to have your cake and eat it too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.

**The Formidable Earl** Jun 07 2020 He's breaking the rules for one woman, and coming dangerously close to falling in love... Simon Nugent, Earl of Fielding, knows he's flawed. He's arrogant, possessive, and haunted by a terrible choice he made long ago. So when a former friend's daughter gives him the chance to do a good deed, he grabs it. Except he'd like to grab her as well and teach her a thing or two about kissing. If only she weren't so damn stubborn. Ida Strong wants one thing - justice on behalf of her father. She has no room for anything else, in spite of her growing and (at times) inexplicable attraction toward a certain earl. But for a woman who knows what betrayal tastes like, placing her trust in others is hard. Risking her heart, would be downright foolish. Until it's the only thing that seems to make sense.
