*I'm Working On It in Therapy* Dec 30 2019 Learn to get the most out of therapy to unlock your best self. Learn to get the most out of therapy to unlock your best self. Millions of Americans will go to therapy this year, but veteran psychotherapist Gary Trosclair believes the vast majority of them will start the process with little to no sense of how to best use their sessions to achieve their goals. Recent research has identified effective client participation as one of the most crucial factors in successful therapy. What can one do to get the most out of their sessions to create lasting positive changes in their lives? What does it look like to "work on it" in therapy? Trosclair covers these points and more, combining cutting-edge scientific research with years of fascinating anecdotal evidence to create a guide that is as compelling as it is indispensable. It teaches readers how to take off their masks and be real with their therapists, how to deal with emotions that arise in session, how to continue their psychological work outside of sessions, how to know when it's time to say goodbye to their therapists, and much more. Whether you're already in therapy and looking to make more out of each appointment, or you're thinking of starting the process and want to go in with a game plan, *I'm Working on It in Therapy* will show you how you can make every session count towards becoming your best possible self.

*Social Work ASWB Masters Exam Guide Nov 01 2022* "Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point! Not only did she cover the content areas we needed to focus in on, but she also showed us how to read and interpret the questions on the exam." —Ammu D. Kowolik, LMSW, McSilver Institute for Poverty Policy and Research Students and social workers preparing for the social work masters licensure exam will find an invaluable study resource in the *Social Work ASWB® Masters Exam Guide*. Written by a prominent social work leader and trainer for social work licensing exams in the United States, this guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters "Knowledge, Skills, and Abilities" upon which the exam is based and incorporates information from the DSM-5®. The guide is comprehensive yet focuses on the material most likely to be included on the exam, so readers can prioritize information as they study. A self-assessment section helps identify strengths and weaknesses before tackling the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations of the correct answers) mirrors the actual exam in both length and structure. Content includes human development, diversity, abuse and neglect, assessment and intervention planning, direct and indirect (micro and macro) practice, and professional values and ethics. This book will be a valuable asset for social workers throughout the United States and Canada. Key Features: Developed by a highly respected educator of social work licensure candidates Covers all the content areas on the masters examination, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.

*Social Work ASWB Clinical Practice Test Sep 18 2021* Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. This full-length practice test with answers and rationales, created by a prominent educator of social work licensure candidates, is a key resource for social workers preparing for the ASWB® Clinical exam. It can be used either on its own or in conjunction with the author's *Social Work ASWB® Clinical Exam Guide: A Comprehensive Study Guide for Success*. The 170 questions contained in this resource mirror the test in length, structure, and content. These are unique questions, distinct from those in the author's complementary study guide, that serve as a valuable diagnostic tool to improve exam success. With in-depth rationales and specific strategies for correctly answering each question, this resource helps social workers identify gaps in knowledge and errors in problem solving. Knowledge domains are grouped together so test-takers can identify the specific content area and competency being tested—a valuable asset for increasing understanding. In addition, the Knowledge, Skills, and Abilities statements (KSAs) are identified for each question, so test-takers can easily locate relevant source materials for further study. Tips for reading the questions, avoiding common pitfalls, and other valuable test-taking strategies, including an assessment of learning styles, add to this book's value as a highly useful resource and diagnostic tool. Key Features: Written by a renowned educator of social work licensure candidates Mirrors the actual ASWB Clinical exam Includes a full practice test with 170 questions Provides answers with full rationales and specific test-taking strategies for all questions ASWB is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product.

*Study Guide to DSM-5® Sep 26 2019* The *Study Guide to DSM-5®* is an indispensable instructional supplement to the *Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition*. The *Study Guide* is intended to assist readers in understanding diagnostic criteria and concepts from DSM-5®, as well as how to apply them. Learning objectives introduce each group of chapters to hone critical insights into diagnosis. Foundational concepts of diagnosis are amplified with case vignettes, discussion questions, and recommended reading to enrich knowledge and practice. The gem of this volume, diagnostic classes are made straightforward with overview narratives, summary discussions, and diagnostic pearls. In each diagnostic class, the reader will find in-depth sections for key diagnoses, including approach to the diagnosis, getting the history, tips for clarifying the diagnosis, case vignettes, and differential diagnosis. A self-assessment section for each diagnostic class includes a checklist of key concepts, discussion questions, case-based question sets, and short-answer questions and answers to help readers comprehend diagnoses as they naturally occur in multidimensional, clinically complex scenarios. Lastly, an overview of diagnostic questions that cover material across the *Study Guide* and DSM-5® provides additional testing of knowledge for the astute learner. The *Study Guide to DSM-5®* is written by recognized leaders in academic psychiatry who provide their expertise in helping the reader to understand how criteria, as words in a manual, come together in the real-life experience of patients. Experts across clinical areas and learners were engaged to help ensure attunement to learner concerns in the book's development. Teachers and students of psychiatry, psychology, social work, medical schools, and residency programs will benefit from this interesting and enormously instructive companion volume.

*Social Work Licensing Advanced Generalist Practice Test Mar 13 2021* Features ASWB test-taking strategies and in-depth rationales for every question! The second edition of the bestselling acclaimed full-length practice test for the ASWB Social Work Advanced Generalist Exam has been thoroughly updated to include additional test-taking strategies and diagnostic tests. Consisting of 170-questions that mirror the ASWB exam in length, structure, and content, this practice test is an indispensable tool for promoting exam success and includes strategies for every question along with in-depth rationales for correct answers,

helping readers to discover gaps in their knowledge, identify strengths, and target weak areas. Additional test taking tips, matched with specific direction on the Knowledge, Skills, and Abilities (KSAs) for each question, makes this the #1 practice test for the ASWB exam. For the second edition, new assessment tools for diagnosing problems for first-time test takers and for those who are having difficulty passing have been added and NASW Code of Ethics content fully reflects the 2018 revision, including standards related to technology. Key Features: Authoritative - developed and written by a renowned social work educator who has helped thousands of test takers pass the exam through her workshops and books Knowledge Gaps - helps test-takers to identify gaps in knowledge and errors in problem-solving with updated rationales Confidence - mirrors the structure and wording of the actual ASWB exam to provide confidence and familiarity KSAs - identifies KSAs for each question so test-takers can easily locate relevant source material for further study Distinct - questions are distinct from those in the author's Social Work Licensing Advanced Generalist Exam: A Comprehensive Study Guide 3e Complementary - can be used on its own or in conjunction with Social Work Licensing Advanced Generalist Exam: A Comprehensive Study Guide 3e

The A-to-Z Self-care Handbook for Social Workers and Other Helping Professionals Oct 27 2019 Self-care is an imperative for the ethical practice of social work and other helping professions. From A (awareness) to Z (ZZZZ--Sleep), the editors and contributors use a simple A-to-Z framework to outline strategies to help you build a self-care plan with specific goals and ways to reach them realistically. Questions for reflection and additional resource lists help you to dig deeper in your self-care journey. Just as the ABCs are essential building blocks for a young child's learning, you can use the ABCs in The A-to-Z Self-Care Handbook for Social Workers and Other Helping Professionals to build your way to a happy, healthy, ethical life as a helping professional. Includes a self-care planning form to help you set goals and formulate strategies. The A-to-Z Self-Care Handbook for Social Workers and Other Helping Professionals...offers a broad range of concrete suggestions for improving individual self-care that should provide guidance and support to fit a broad range of practitioner needs. The book also includes material in several chapters that notes the important role organizations must take in stress and burnout reduction and support of self-care. SUE STEINER, Ph.D., MSW, Professor, School of Social Work at California State University, Chico, Co-author, Self-Care in Social Work: A Guide for Practitioners, Supervisors, and Administrators ...a caring and useful resource for helping professionals concerned about burnout, stress, staff turnover, and wellness... By focusing on insights and reflections and providing resources and strategies, The A-to-Z Self-Care Handbook is a practical guide and an empowering book. DR. BARBARA W. SHANK, Ph.D., MSW, Dean and Professor, School of Social Work, University of St. Thomas, St. Catherine University, Chair, Board of Directors, Council on Social Work Education As the leader of a large nonprofit organization, the health and well-being of my colleagues is always top of mind for me. The A-to-Z Self-Care Handbook for Social Workers and Other Helping Professionals is just what an organization like ours needed to promote self-care in a way that makes sense for all of us! JENNIFER HANCOCK, LCSW, President & CEO, Volunteers of America-Mid-States Sometimes there is a book that speaks to what you also have tried to put into words that feels truly hand-in-glove. I see The A-to-Z Self-Care Handbook for Social Workers and Other Helping Professionals as precisely this book. SARAKAY SMULLENS, MSW, LCSW, author of Burnout and Self-Care in Social Work: A Guidebook for Students and Those in Mental Health and Related Professions Grise-Owens, Miller, & Eaves' The A-to-Z Self-Care Handbook for Social Workers and Other Helping Professionals is a much-needed handbook to inspire and guide self-care practice. Its insights are far-ranging, original, practical, and flexible. The short chapter format, focused topics, and fresh tone are both accessible and sure to motivate. Even those who have given a great deal of thought and attention to self-care will find new, exciting, and practicable guidance in its pages. LISA D. BUTLER, Ph.D., Associate Professor, University at Buffalo, School of Social Work, Primary Developer, UBSSW Self-Care Starter Kit

First Phone Jun 15 2021 A fun and informative illustrated kids' guide to safely and productively navigating the digital landscape. Cellphones have become a fact of life, with children as young as eight (yes, eight!) getting their very own "devices." Such boundless access means our kids are in nearly constant contact with technology that was designed specifically for adults. And they're doing so without any type of road map. Enter First Phone: the essential book that apprehensive parents can confidently hand to their kids to read as they begin their journey into the digital world. In First Phone, Catherine Pearlman—licensed clinical social worker and parenting expert—speaks directly to eight- to twelve-year-old children about digital safety in a manner that is playful, engaging, and age-appropriate. With insights and strategies supported by the latest research, First Phone offers: • guidance on privacy, boundaries, social media, and even sexting (yes, young children need to learn about sexting before it happens!) • best digital hygiene and self-care practices, including when to put the darn phone down, when to turn off notifications, and where to charge • how to be a kind and compassionate upstander in a digital world An essential companion when your child receives their first phone, this book provides kids the tools and information they need while giving their parents peace of mind.

MFT Licensing Exam Study Guide 2020-2021 Nov 28 2019

A Young Man's Guide to Self-Mastery, Workbook Jan 29 2020 How practitioners can work with young male clients within a gender-responsive treatment program Adverse life events can experience significant impairment in neural development which can lead to weakened critical thinking, diminished emotional intelligence, and increased antisocial behavior. Statistics show that traditional treatment programs are inadequate in helping young men—estimated to account for 68% of all teens struggling with substance use disorder—to achieve sustained abstinence that leads to recovery. A Young Man's Guide to Self-Mastery provides practical guidance on implementing an effective trauma-informed, gender-responsive treatment program that addresses the impact of socialization, adverse life experiences, and substance use. This invaluable guide explains the theoretical foundation and real-life connection between trauma and substance use, and provides clear guidelines and actionable strategies for treating boys and young men challenged by trauma and substance use disorder. Provides guidance on integrating evidence-based interventions, mindfulness techniques, and experiential activities Covers the effects of environmental trauma, gender development awareness, socialization, identity, sexuality, relational violence, and aggression Examines trauma's impact on families, mental health, and comorbid and addictive behavior Discusses the key elements of strength-based approaches and mentoring A Young Man's Guide to Self-Mastery is an invaluable resource for practitioners working with male adolescents in mental health clinics, juvenile justice facilities, and residential and outpatient facilities.

**Ending the Parent-Teen Control Battle Jan 11 2021** "Full of practical expectations ... Warmly recommended." —Library Journalstarred review Power struggles between parents and teens are nothing new, but chronic control battles are destructive to teen development as well as the entire family. According to psychotherapist Neil Brown, these battles occur as the result of self-perpetuating negative relationship patterns. Chock-full of powerful and easy-to-use evidence-based tools, this book will help you understand and end the painful tug-of-war with your teen and foster a peaceful and loving home environment. In virtually all families, there are moments when teens are unhappy with parental limits, rules, and requests—as well as times when those kids are disobedient or noncompliant, or get caught up in the moment and make bad decisions. But the parent-teen control battle goes beyond this; it's a chronic relationship pattern that uses up the family's emotional resources and can seriously impact child identity, self-esteem, and development, resulting in destructive behavior and causing stress for everyone around. This book offers a thorough understanding of the control battle and a clear prescription to end it. With Ending the Parent-Teen Control Battle, you'll learn about the three elements that support this chronic conflict—reactivity, negative emotional tone, and being "other-person focused"—and discover the two key changes that can be made to address the underlying issues, allowing you to move toward a more positive way of seeing your teen while creating vital behavioral change. Using tools based in structural family therapy (SFT), which targets the core relationship pattern driving the control battle, you'll be able to address specific issues and create a healthier pattern. If you're tired of the constant battle for control and you're ready to cultivate a more loving, peaceful, and supportive environment for the whole family, this book has the skills and understanding you need to be successful, no matter what you and your teen face.

**School Made Easier Jul 25 2019** Teaches how to handle academic stress, providing coping mechanisms, time management tips, and study techniques in order to promote a calmer test day for students.

**Self-care in Social Work** Jun 23 2019 Social workers encounter a number of unique forms of occupational stress on a daily basis. The more thoroughly they understand the stressors they face, the better-prepared social workers will be able to manage them successfully. *Self-Care in Social Work* is a guide to promote effective self-care tailored to the needs of social workers, including both individual and organizational approaches. On a personal level, it goes beyond the typical prescriptions to exercise, eat well, sleep more, and get a massage or meditate. In fact, the book is based on the premise that self-care should not be an add-on activity only happening in the rare instance there is some free time. Instead, it is conceptualized as a state of mind and considered an integral part of a social worker's training. In *Self-Care in Social Work*, the reader is taught how to approach individually oriented self-care through the development of self-awareness, self-regulation, and self-efficacy. At the organizational level, readers are guided through a process of learning about areas of match and mismatch between themselves and their agency structure and culture. The book is timely in that the economic downturn has put pressure on agencies to do more with less, which ultimately leads to stress. Burnout, compassion fatigue, and vicarious trauma are topics that students, instructors, practitioners, and administrators are concerned about. A practical guide to stress management and approaches to self-care, this book includes narratives gathered from both students and practitioners in the field. It is an excellent resource for social workers, counselors, and mental health professionals in education.--Back cover.

**LCSW Study Guide 2022-2023** Aug 30 2022 Imagine if test-takers could get all of the practice they need from one study guide and score very high on the Licensed Clinical Social Worker Exam. This LCSW Study Guide combines theory and practice questions so that students are fully prepared before writing the exam. While other guides only provide around 200 questions, this guide has 680 questions along with answer explanations. There are 4 full-length tests included so that test-takers will have enough practice before attempting the real exam. About Newstone Test Prep Newstone Test Prep provides students with up-to-date test questions so that they are well prepared before taking the exam. We take pride in our guides because they combine both theory and test questions. At Newstone Test Prep, we do not just compile test questions; we compile the same number of questions as the real exams, in the same format. This has been a great help for past students because they were able to simulate the real exam while studying. Thousands of students have scored higher on their exams after using our study guides.

**The Conscious Parent's Guide to Gender Identity** Aug 18 2021 "Guide for parents about how to approach a child's gender expansiveness and help their child understand and transition to a new gender identity"--

**Parent Goals** Jul 17 2021 Child welfare and adoption specialist Lindsay Garrett, LCSW, teaches Millennials considering having kids how to emotionally prepare for parenthood, determine their parenting style and values, and establish sustainable support. In your prime child-rearing years and mulling the question Am I ready to have a baby? Millennials contemplating kids can now turn to *Parent Goals*, a guide to emotional preparedness for parenthood. Child welfare and adoption specialist Lindsay Garrett leverages her professional expertise and experience as a new parent to lead readers through the mental prep work needed before embarking on this important life choice. *Parent Goals* is the book to turn to before you make the decision to become a parent. Unlike other books on the topic that focus on pregnancy and kids' life stages, *Parent Goals* outlines the most important—and least explained—aspects of having children, including emotional readiness, attachment theory, and determining your values as a parent. In addition to offering advice and guidance, *Parent Goals* is the first book to address the emergence of the co-parenting style popular with Millennials, which involves a more equitable division of labor than we have seen in previous generations. Garrett's down-to-earth and sometimes cheeky writing style makes *Parent Goals* an accessible and engaging read for the Millennial generation.

**Set Boundaries, Find Peace** May 03 2020 The instant New York Times bestseller *End the struggle, speak up for what you need, and experience the freedom of being truly yourself. Healthy boundaries. We all know we should have them—in order to achieve work/life balance, cope with toxic people, and enjoy rewarding relationships with partners, friends, and family. But what do "healthy boundaries" really mean—and how can we successfully express our needs, say "no," and be assertive without offending others?* Licensed counselor, sought-after relationship expert, and one of the most influential therapists on Instagram Nedra Glover Tawwab demystifies this complex topic for today's world. In a relatable and inclusive tone, *Set Boundaries, Find Peace* presents simple-yet-powerful ways to establish healthy boundaries in all aspects of life. Rooted in the latest research and best practices used in cognitive behavioral therapy (CBT), these techniques help us identify and express our needs clearly and without apology—and unravel a root problem behind codependency, power struggles, anxiety, depression, burnout, and more.

**Social Work ASWB Masters Exam Guide, Second Edition** Nov 20 2021 Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. Written by a renowned social work educator rather than an unknown at a test preparation company, this thoroughly updated guide helps readers identify their weak areas so they know what to focus on to pass the 2018 ASWB® Masters licensure exam! Reviewers applaud the book's unique test-taking tips and strategies which are based on the author's extensive knowledge of the exam. A thorough review of the four content areas of the updated 2018 Masters exam is provided. The 170-question practice test with explanations of the correct answers mirrors the actual exam in length and structure. This invaluable guide has been praised by social workers across the country as essential to passing the ASWB® Masters Exam on the first attempt! Highlights include: Updated to reflect ASWB's revised 2018 test blueprint used for test construction. Content available via an app in addition to the print version so test takers can study using multiple mediums. Written by a renowned social work educator who has helped thousands of test takers pass the exam through her invaluable workshops. Provides a thorough content review of the four core areas of the updated 2018 Masters examination: human development, diversity, and behavior in the environment; assessment and intervention planning; interventions with clients/client systems; and professional relationships, values and ethics. Readers applaud the invaluable tips for how to read the questions, overcome test anxiety, avoid common pitfalls, and assess one's learning style which help foster exam confidence. Begins with a self-assessment to help identify areas of strength and weakness. A full practice test with 170 questions that mirrors the actual ASWB® Masters Exam in length, structure, and content, with detailed explanations of the correct answers. Identifies the Knowledge, Skills, and Abilities statements (KSAs) for each question so test-takers can easily locate relevant source materials for further study. Questions are distinct from those in the author's Social Work ASWB® Masters Practice Test, 2e.

**The Art of Becoming Indispensable** Feb 09 2021 Despite their institutional preparation and lived experiences, new school social workers encounter numerous practices, political considerations, community engagement strategies, and seemingly fundamental elements involved in the learning curve needed to move from entry-level to proficiency. *The Art of Being Indispensable What School Social Workers Need to Know in Their First Three Years of Practice* contains content specific to what they will need in their first three years of practice, bridging the learning gap from their academic preparation to early employment in P-12 settings. Organized into four sections - *The Host Environment, The Macro School Social Worker, Integration and Intervention, and School Social Worker Sustainability* - the content of the book is framed by a mixed-methods study on the needs of new practitioners. It is an indispensable guide that new school social workers can consult to effectively execute their roles and responsibilities.

**LMSW/LCSW the C. A. L. M. I. N. G. Way** May 27 2022 This is a comprehensive Study Guide to help you prepare for your LMSW/LCSW Exam. It contains everything you need to help you master this exam. It includes guidelines for answering questions, 200 questions and answers, Memory Tips, relatable examples. extensive information on Community/Macro Interventions, a special section on different practice settings and illustrations to help you understand the material easier.

**Coping with Cancer** Jun 03 2020 "A cancer diagnosis can lead to what feel like impossible questions: How can a person face the fear, sadness, and anger without being paralyzed by them? Is it possible to hold on to hope without being in denial? What is the best way to get needed support? This compassionate book presents dialectical behavior therapy (DBT), a proven psychological intervention that Marsha M. Linehan developed specifically for the impossible situations of life--and which she and Elizabeth Cohn Stuntz now apply to the unique challenges of cancer for the first time. Readers learn powerful skills for making difficult treatment decisions, managing overwhelming emotions, speaking up for their needs, tolerating distress, and living meaningfully, even during the darkest days. Every chapter blends professional expertise, personal stories, and the collective wisdom of other cancer patients and survivors"--

**A Counselor's Guide to Christian Mindfulness** Aug 25 2019 Equips Christian counselors and therapists to confidently use mindfulness techniques with their clients in a way that is both practical and biblical. Accessing mindfulness is a therapeutic touchstone for a range of emotional issues, from mild distress to the

treatment of trauma, but the term mindfulness has often left Christians wary. Stripped of Christlike spirituality, it sounds self-focused at best, and at worst like a fusion with modern pop-religions of the day. But the quality of mindfulness—of being fully present, aware of ourselves and our situation so that we can better respond to the chaos around us—is a profoundly biblical concept. And it can be used effectively by Christian counselors and healing practitioners. In *A Counselor's Guide to Christian Mindfulness*, Regina Chow Trammel (a clinical social worker) and John Trent (a marriage and family therapist) team up to offer training in mindfulness skills used in evidence-based practices, such as dialectical behavioral therapy, acceptance and commitment therapy and mindfulness-based cognitive therapy. These therapies have been shown to be highly effective in the treatment of many mental health issues, blending elements of neuroscience, social science, and religious training. This book is the ideal resource to equip those in the helping professions to faithfully use mindfulness interventions both professionally and personally and includes: A historical and theoretical overview of Christian mindfulness and how it contrasts with other mindfulness-based practices. A practical guide for how to use mindfulness skills in counseling and therapeutic practice. A section addressing specific challenges or situations that your clients face. Dialogue scripts and contemplation exercises to adapt for your own work. The practice of Christian mindfulness can be effective in helping clients manage their intrusive and stressful thoughts, emotions, relationships, and challenges. This book fills a gap for Christian counselors and therapists who are eager for a resource that teaches mindfulness skills from a Christian and biblical perspective.

*Breathe, Mama, Breathe* Aug 06 2020 A "Mom Must-Read"—Parents A National Parenting Product Award (NAPPA) Winner Easy-to-follow practices that will help moms find quick, daily opportunities to reset and refocus with mindfulness Moms can feel as if they are sprinting through life, crashing onto the pillow at day's end only to start again the next morning. In *Breathe, Mama, Breathe*, psychotherapist Shonda Moralis outlines the benefits of daily meditation and shows moms how to do it—in just five minutes! Plus, she shares over 60 "mindful breaks" that will help moms tune into their own well-being (along with everyone else's): Eat a mindful breakfast—with no phone, TV, or newspaper! Cuddle your child and take three deep breaths together. Give yourself a mindful mommy high five—because moms can use positive reinforcement, too. Every mom—whether caring for a new baby, an overscheduled grade-schooler, or an angsty teen—can become a mindful mama!

Working in Social Work May 15 2021 This text provides graduate students going into the social work field with real world and practical information about what it is really like to work as a social worker. Each chapter presents a true picture of what to expect as a front-line social worker in the given practice setting.

Task-centered Practice Sep 06 2020 Based on the papers of the Conference on applications of task-centered treatment, held at the University of Chicago, 1975.

Social Work Documentation Mar 01 2020 The second edition of *Social Work Documentation: A Guide to Strengthening Your Case Recording* is an update to Nancy L. Sidell's 2011 book on the importance of developing effective social work documentation skills. The new edition aims to help practitioners build writing skills in a variety of settings. New materials include updates on current practice issues such as electronic case recording and trauma-informed documentation. The book addresses the need for learning to keep effective documentation with new exercises and provides tips for assessing and documenting client cultural differences of relevance. Sidell encourages individuals to reflect on personal strengths and challenges related to documentation skills. *Social Work Documentation* is a how-to guide for social work students and practitioners interested in good record keeping in improving their documentation skills. -- from back cover.
