Betrayal Sep 10 2020 ***THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER*** An NPR Book of the Day Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestselling *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

Too Much and Never Enough Jul 21 2021 In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

Rigged Dec 14 2020 FROM THE AUTHOR OF THE #1 NATIONAL BESTSELLER *JUSTICE ON TRIAL* Stunned by the turbulence of the 2020 election, millions of Americans are asking the forbidden question: what really happened? It was a devastating triple punch. Capping their four-year campaign to destroy the Trump presidency, the media portrayed a Democratic victory as necessary and inevitable. Big Tech, wielding unprecedented powers, vaporized dissent and erased damning reports about the Biden family's corruption. And Democratic operatives, exploiting a public health crisis, shamelessly manipulated the voting process itself. Silenced and subjected, the American people lost their faith in the system. *RIGGED* is the definitive account of the 2020 election. Based on Mollie Hemingway's exclusive interviews with campaign officials, reporters, Supreme Court justices, and President Trump himself, it exposes the fraud and cynicism behind the Democrats' historic power-grab. Rewriting history is a specialty of the radical left, now in control of America's political and cultural heights. But they will have to contend with the determination, insight, and eloquence of Mollie Hemingway. *RIGGED* is a reminder for weary patriots that truth is still the most powerful weapon. The stakes for our democracy have never been higher.

Trump: Think Like a Billionaire Apr 29 2022 It's not good enough to want it. You've got to know how to get it. Real estate titan, bestselling author, and TV star Donald J. Trump is the man to teach you the billionaire mind-set—how to think about money, career skills, and life. Here is crucial advice on investing in real estate from the expert, everything from dealing with brokers to renovating to assessing the value of property, buying and selling, and securing a mortgage. Trump will show you how to cut costs, decide how much risk to assume in your investments, and divide up your portfolio. He'll also teach you how to impress anyone, how to correct or criticize someone effectively, and how to know if your friends are loyal—everything you need to know to get ahead. And once you've earned your money, you've got to learn to spend it well. Trump presents his consumer guide to the best things in life, from wine to golf clubs to engagement rings. Check out the billionaire lifestyle—how they shop and what they buy. Even if you're not superwealthy, you can afford many of these luxuries. And what look inside the Trump world would be complete without *The Apprentice*? Trump will take you behind the scenes, from the end of season one and into season two, with insights into the making and the meaning of TV's hottest show. As Donald Trump proves, getting rich is easy. Staying rich is harder. Your chances are better, and you'll have more fun, if you think like a billionaire. This is the book that will help you make a real difference in your life.

A Plague Upon Our House Feb 02 2020 As seen on Tucker Carlson, The Ingraham Angle, The Megyn Kelly Show, The Clay Travis & Buck Sexton Show, The Next Revolution with Steve Hilton and more! What really happened behind the scenes at the Trump White House during the COVID

pandemic? When Dr. Scott W. Atlas was tapped by Donald Trump to join his COVID Task Force, he was immediately thrust into a maelstrom of scientific disputes, policy debates, raging egos, politically motivated lies, and cynical media manipulation. Numerous myths and distortions surround the Trump Administration's handling of the crisis, and many pressing questions remain unanswered. Did the Trump team really bungle the response to the pandemic? Were the right decisions made about travel restrictions, lockdowns, and mask mandates? Are Drs. Anthony Fauci and Deborah Birx competent medical experts or timeserving bureaucrats? Did half a million people really die unnecessarily because of Trump's incompetence? So far no trusted figure has emerged who can tell the story straight—until now. In this unfiltered insider account, Dr. Scott Atlas brings us directly into the White House, describes the key players in the crisis, and assigns credit and blame where it is deserved. The book includes shocking evaluations of the Task Force members' limited knowledge and grasp of the science of COVID and details heated discussions with Task Force members, including all of the most controversial episodes that dominated headlines for weeks. Dr. Atlas tells the truth about the science and documents the media's relentless campaign to suffocate it, which included canceled interviews, journalists' off-camera hostility in White House briefings, and intentional distortion of facts. He also provides an inside account of the delays and timelines involving vaccines and other treatments, evaluates the impact of the lockdowns on American public health, and indicts the relentless war on truth waged by Big Business and Big Tech. No other book contains these revelations. Millions of people who trust Dr. Atlas will want to read this dramatic account of what really went on behind the scenes in the White House during the greatest public health crisis of the 21st century.

Think Big Nov 05 2022 Provides tips on achieving success in business and in life, discussing thinking big, passion, instincts, creating luck, fear, revenge, momentum, focus, and prenuptial agreements, and includes frequently asked questions and testimonials.

The Fifth Risk May 19 2021 New York Times Bestseller What are the consequences if the people given control over our government have no idea how it works? "The election happened," remembers Elizabeth Sherwood-Randall, then deputy secretary of the Department of Energy. "And then there was radio silence." Across all departments, similar stories were playing out: Trump appointees were few and far between; those that did show up were shockingly uninformed about the functions of their new workplace. Some even threw away the briefing books that had been prepared for them.

Michael Lewis's brilliant narrative takes us into the engine rooms of a government under attack by its own leaders. In Agriculture the funding of vital programs like food stamps and school lunches is being slashed. The Commerce Department may not have enough staff to conduct the 2020 Census properly. Over at Energy, where international nuclear risk is managed, it's not clear there will be enough inspectors to track and locate black market uranium before terrorists do. Willful ignorance plays a role in these looming disasters. If your ambition is to maximize short-term gains without regard to the long-term cost, you are better off not knowing those costs. If you want to preserve your personal immunity to the hard problems, it's better never to really understand those problems. There is upside to ignorance, and downside to knowledge. Knowledge makes life messier. It makes it a bit more difficult for a person who wishes to shrink the world to a worldview. If there are dangerous fools in this book, there are also heroes, unsung, of course. They are the linchpins of the system—those public servants whose knowledge, dedication, and proactivity keep the machinery running. Michael Lewis finds them, and he asks them what keeps them up at night.

Think BIG and Kick Ass in Business and Life LP Sep 03 2022 Donald J. Trump is an icon: the very definition of the American success story. The star of *The Apprentice* and developer of some of the planet's most prestigious real estate, he's been on the bottom and risen to become one of the world's wealthiest men. Bill Zanker started *The Learning Annex* with \$5,000 of his own money. After meeting Donald Trump, Zanker learned to Think BIG himself and grew *The Learning Annex* from a \$5 million a year company into one that's generating over \$100 million a year in sales—and still growing. For the first time ever, you too can learn Trump's secrets to thinking BIG and kicking ass! Learn: Momentum: the Big Mo. How to get it and how to get it back. Revenge: how and when to get it (and why it's so sweet). "I love you, now sign this!" Why contracts in business and personal life are so important. Real-life stories from people who've applied the think BIG formula in their own lives.

The Borowitz Report Oct 31 2019 Prepare to be shocked. From the man *The Wall Street Journal* hailed as a "Swifitean satirist" comes the most shocking book ever written! *The Borowitz Report: The Big Book of Shockers*, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Triggered Apr 05 2020 This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

The America We Deserve Nov 24 2021 The essential, bestselling book that first defined President Donald Trump's political ideas. *The America We Deserve* is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--*The America We Deserve* reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: *Foreign policy and relations with China, Russia, North Korea, and Israel *How to fix our broken and underperforming education system *Reducing regulations on business to help create jobs and economic growth *A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class *Immigration, crime, terrorism, and more *The America We Deserve* is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

Trump: The Way to the Top Aug 10 2020 The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

Squeeze Me Dec 02 2019 NEW YORK TIMES BEST SELLER • A hilarious novel of social and political intrigue, set against the glittering backdrop

of Florida's gold coast, from the author of *Skinny Dip* and *Razor Girl* "If you could use some wild escapism right now, Hiaasen is your guy." —The New York Times WITH A NEW EPILOGUE At the height of Palm Beach's charity ball season, Kiki Pew Fitzsimmons, a prominent member of geriatric high society, suddenly vanishes during a swank gala. Kiki Pew was a founding member of the Potussies, a group of women dedicated to supporting the President, who spends half the year at the "Winter White House" just down the road. Meanwhile, Angie Armstrong, wildlife wrangler extraordinaire, is called to the island to deal with a monster-sized Burmese python that has taken residency in a tree. But the President is focused on the disappearance of Kiki Pew. Never one to miss an opportunity to play to his base, he immediately declares her a victim of rampaging immigrant hordes. This, it turns out, is far from the truth, which now lies in the middle of the road, where a bizarre discovery brings the First Lady's motorcade to a grinding halt. Irreverent, ingenious, and uproariously entertaining, *Squeeze Me* perfectly captures the absurdity of our times.

Reign of Terror Jun 07 2020 A New York Times Critics' Top Book of 2021 "An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." —The New York Times "One of the most illuminating books to come out of the Trump era." —New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In addition to multiple ground wars, the era pioneered drone strikes and industrial-scale digital surveillance; weakened the rule of law through indefinite detentions; sanctioned torture; and manipulated the truth about it all. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized feature of American politics and national security, expanding the possibilities for applying similar or worse measures against other targets at home, as the summer of 2020 showed. A politically divided and economically destabilized country turned the War on Terror into a cultural—and then a tribal—struggle. It began on the ideological frontiers of the Republican Party before expanding to conquer the GOP, often with the acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. And that door remains open. *Reign of Terror* shows how these developments created an opportunity for American authoritarianism and gave rise to Donald Trump. It shows that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden. By the end of his tenure, the war had metastasized into a bitter, broader cultural struggle in search of a demagogue like Trump to lead it. *Reign of Terror* is a pathbreaking and definitive union of journalism and intellectual history with the power to transform how America understands its national security policies and their catastrophic impact on civic life.

It Can't Happen Here Oct 12 2020 "The novel that foreshadowed Donald Trump's authoritarian appeal."—Salon *It Can't Happen Here* is the only one of Sinclair Lewis's later novels to match the power of *Main Street*, *Babbitt*, and *Arrowsmith*. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler's aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called "a message to thinking Americans" by the Springfield Republican when it was published in 1935, *It Can't Happen Here* is a shockingly prescient novel that remains as fresh and contemporary as today's news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst

Strangers in Their Own Land Sep 30 2019 The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to *Strangers in Their Own Land* to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the *New Republic*, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

Big Agenda Jan 15 2021 NEW YORK TIMES BESTSELLER Donald Trump's victory in the 2016 election was more than a historic upset. It was the beginning of a major political, economic, and social revolution that will change America — and the world. One of the nation's foremost conservative commentators, New York Times bestselling author, and a mentor to many of Donald Trump's key advisers, David Horowitz presents a White House battle plan to halt the Democrats' march to extinguish the values America holds dear. *Big Agenda* details President Trump's likely moves, including his: • First wave of executive orders — restoring Guantanamo, Keystone XL, nixing amnesty • Surprising judicial appointments — Supreme Court and the federal judiciary • Radical changes to federal rules & regulations — Obamacare, EPA overreach, and a New Deal for black America With the White House and Senate in GOP hands, and a Supreme Court soon to follow, President Trump will have a greater opportunity than even Ronald Reagan had to reshape the American political landscape while securing the nation's vital security interests abroad. "No president since FDR and his famed '100 Days' has the chance Donald Trump has," Horowitz argues. But he writes that the GOP and Trump must recognize they are not fighting policy ideas, but an ideology — a progressive one with a radical agenda to stop Trump in an effort to reduce America's power and greatness. *Big Agenda* is a rallying cry and indispensable guide for how to claim ultimate victory for the conservative cause. Horowitz writes, "One battle is over, but there are many more to come. This book is a guide to fighting the opponents of the conservative restoration. It identifies who the adversaries are — their methods and their motivations. It describes their agenda — not merely the particular issues with which they advance their goal, but the destructive goal itself. And it lays out a strategy that can defeat them."

Peril May 07 2020 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. *Peril* is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. *Peril* is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

Think Big Jul 01 2022 Donald J. Trump is an icon: the very definition of the American success story. The star of *The Apprentice* and developer of some of the planet's most prestigious real estate, he's been on the bottom and risen to become one of the world's wealthiest men. Bill Zanker started *The Learning Annex* with \$5,000 and grew it into a \$5 million a year company. That was before he met Donald Trump. Thirty months later, after Zanker learned to think BIG himself, *The Learning Annex* is generating over \$100 million a year in sales--and still growing. Together, they're living

examples of how thinking BIG and knowing when to back up your opinions aggressively--regardless of what your critics or opponents might say--can help you maximize your personal and professional achievements. For the first time ever, you too can learn Trump's secrets to thinking BIG Learn: Momentum: the Big Mo. How to get it and how to get it back. Revenge: how and when to get it (and why it's so sweet). "I love you, now sign this " Why contracts in business and personal life are so important. Real-life stories from people who've applied the think BIG formula in their own lives.

No-no Boy Jan 03 2020

What Really Matters Mar 17 2021 At the height of his career as a journalist, Tony Schwartz hit an unexpected wall. Why did success suddenly feel so empty? How could he add richer meaning to his everyday life? What guides could he trust on the road to wisdom? During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas, from a peak-performance workshop at a tennis academy in Florida to a right-brain drawing course in Boston. Blending the hunger of a seeker with a journalist's hard-headed inquiry, he discovered the best teachers and techniques for inner development--and identified the potential pitfalls and false gurus he met along the way. What he found dramatically changed his life. It may change yours as well.

Trump: The Art of the Deal Aug 02 2022 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post

Think Big and Kick Ass in Business and Life Oct 04 2022 He's got the biggest personality in business. His trademark line "You're fired" from The Apprentice is one of America's most instantly recognizable catchphrases. Crippled America Dec 26 2021 Crippled America by Donald Trump | Key Takeaways & Analysis Preview: Much has been written about Donald Trump and his campaign for the 2016 Republican nomination for president. But what does the billionaire builder and media personality himself have to say about what America's greatest problems are? And just as important, what solutions does he offer to address these issues? Crippled America: How to Make America Great Again offers a revealing look at his thinking... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. Inside this Instaread of Crippled America: · Overview of the book · Important People · Key Takeaways · Analysis of Key Takeaways Trump: The Best Real Estate Advice I Ever Received Jun 19 2021 Tough-minded real estate developer and star of The Apprentice, Donald Trump asked 100 of the world's most successful real estate experts to tell him the best real estate advice they ever received. The answers are insightful, practical, and particularly helpful for anyone wanting to profit from the current uncertain real estate market, whether commercial or private."

I Alone Can Fix It Oct 24 2021 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." – Anderson Cooper "Jaw-dropping." – John Berman "Shocking." – John Heilemann "Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Be Obsessed or Be Average Nov 12 2020 From the millionaire entrepreneur and New York Times bestselling author of The 10X Rule comes a bold and contrarian wake-up call for anyone truly ready for success. One of the 7 best motivational books of 2016, according to Inc. Magazine. Before Grant Cardone built five successful companies (and counting), became a multimillionaire, and wrote bestselling books... he was broke, jobless, and drug-addicted. Grant had grown up with big dreams, but friends and family told him to be more reasonable and less demanding. If he played by the rules, they said, he could enjoy everyone else's version of middle class success. But when he tried it their way, he hit rock bottom. Then he tried the opposite approach. He said NO to the haters and naysayers and said YES to his burning, outrageous, animal obsession. He reclaimed his obsession with wanting to be a business rock star, a super salesman, a huge philanthropist. He wanted to live in a mansion and even own an airplane. Obsession made all of his wildest dreams come true. And it can help you achieve massive success too. As Grant says, we're in the middle of an epidemic of average. The conventional wisdom is to seek balance and take it easy. But that has really just given us an excuse to be unexceptional. If you want real success, you have to know how to harness your obsession to rocket to the top. This book will give you the inspiration and tools to break out of your cocoon of mediocrity and achieve your craziest dreams. Grant will teach you how to: · Set crazy goals—and reach them, every single day. · Feed the beast: when you value money and spend it on the right things, you get more of it. · Shut down the doubters—and use your haters as fuel. Whether you're a sales person, small business owner, or 9-to-5 working stiff, your path to happiness runs through your obsessions. It's a simple choice: be

obsessed or be average.

#DELETED Jun 27 2019 Uncover the hidden systems created by the most powerful tech companies in the world that are determined to stop Donald Trump. Journalist Allum Bokhari has spent four years investigating the tech giants that dominate the Internet: Google, Facebook, YouTube, Twitter. He has discovered a dark plot to seize control of the flow of information, and utilize that power to its full extent—to censor, manipulate, and ultimately sway the outcome of democratic elections. His network of whistleblowers inside Google, Facebook and other companies explain how the tech giants now see themselves as "good censors," benevolent commissars controlling the information we receive to "protect" us from "dangerous" speech. They reveal secret methods to covertly manipulate online information without us ever being aware of it, explaining how tech companies can use big data to target undecided voters. They lift the lid on a plot four years in the making—a plot to use the power of technology to stop Donald Trump's re-election.

The Dangerous Case of Donald Trump Aug 29 2019 As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic "duty to warn" supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.

Trump: How to Get Rich Jan 27 2022 First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn't until NBC and executive producer Mark Burnett asked him to star in *The Apprentice* that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run. Thousands applied to be Trump's apprentice, and millions have been watching the program, making it the highest rated debut of the season. In *Trump: How To Get Rich*, Trump tells all—about the lessons learned from *The Apprentice*, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to • invest wisely • impress the boss and get a raise • manage a business efficiently • hire, motivate, and fire employees • negotiate anything • maintain the quality of your brand • think big and live large Plus, *The Donald* tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

Twilight of the Elites Apr 17 2021 A powerful and original argument that traces the roots of our present crisis of authority to an unlikely source: the meritocracy. Over the past decade, Americans watched in bafflement and rage as one institution after another – from Wall Street to Congress, the Catholic Church to corporate America, even Major League Baseball – imploded under the weight of corruption and incompetence. In the wake of the Fail Decade, Americans have historically low levels of trust in their institutions; the social contract between ordinary citizens and elites lies in tatters. How did we get here? With *Twilight of the Elites*, Christopher Hayes offers a radically novel answer. Since the 1960s, as the meritocracy elevated a more diverse group of men and women into power, they learned to embrace the accelerating inequality that had placed them near the very top. Their ascension heightened social distance and spawned a new American elite—one more prone to failure and corruption than any that came before it. Mixing deft political analysis, timely social commentary, and deep historical understanding, *Twilight of the Elites* describes how the society we have come to inhabit – utterly forgiving at the top and relentlessly punitive at the bottom – produces leaders who are out of touch with the people they have been trusted to govern. Hayes argues that the public's failure to trust the federal government, corporate America, and the media has led to a crisis of authority that threatens to engulf not just our politics but our day-to-day lives. Upending well-worn ideological and partisan categories, Hayes entirely reorients our perspective on our times. *Twilight of the Elites* is the defining work of social criticism for the post-bailout age.

Donald J. Trump Jul 29 2019 Conrad Black, bestselling author of *Franklin Delano Roosevelt: Champion of Freedom* and *Richard M. Nixon: A Life in Full*, turns his attention to his "friend" President Donald J. Trump and provides the most intriguing and significant analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

What Were We Thinking Jul 09 2020 In this "crisp, engaging, and very smart" (*The New York Times Book Review*) work, *The Washington Post's* Pulitzer Prize-winning book critic digs into books of the Trump era and finds that our response to this presidency often reflects the same polarization, contradictions, and resentments that made it possible. It is an irony of our age that a man who rarely reads has unleashed an onslaught of books about his tenure and his time. Dissections of the white working class. Manifestos of political resistance. Works on identity, gender, and migration. Memoirs on race and protest. Revelations of White House mayhem. Warnings over the future of conservatism, progressivism, and of American democracy itself. As a book critic for *The Washington Post*, Carlos Lozada has read just about all of them. In *What Were We Thinking*, he draws on some 150 recent volumes to explore how we understand ourselves in the Trump era. Lozada's characters are not the president, his advisers, or his antagonists but the political and cultural ideas at play—and at stake—in America. Just as Trump's election upended the country's political establishment, it shocked its intellectual class. Though some of the books of the Trump era skillfully illuminate the challenges and transformations the nation faces, too many works are more defensive than incisive, more righteous than right. Lozada offers a provocative argument: Whether written by liberals or conservatives, activists or academics, true believers or harsh critics, the books of Trump's America are vulnerable to the same failures of imagination that gave us this presidency in the first place. In *What Were We Thinking*, Lozada's selections range from bestselling titles to little-known works, from thoroughly reported accounts of the administration to partisan polemics, from meditations on the fate of truth to memoirs about enduring—or enabling—the Trump presidency. He also identifies books that challenge entrenched assumptions and shift our vantage points, the books that best help us make sense of this era. The result is an "elegant yet lacerating" (*The Guardian*) intellectual history of our time, a work that transcends daily headlines to discern how we got here and how we thought here. *What Were We Thinking* will help today's readers understand America, and will help tomorrow's readers look back and understand us.

The Big Cheat Mar 29 2022 Original lie -- Jobs mirage -- Charity doghouse -- Off the books -- Collecting tribute -- Don't ask, don't know -- Conflicts of interest -- Tax scam -- Polishing apple -- The Koch papers -- Wall scam -- Opportunity knocks -- Dangerous favors -- Expensive juice -- The shipping news -- Russian money man -- Promises, promises -- Family first -- After Trump.

The Making of Donald Trump Sep 22 2021 THE NEW YORK TIMES BESTSELLER that connects the dots from Donald Trump's racist background to the Russian scandals "A searing indictment." — Michiko Kakutani, *The New York Times* "Johnston has given us this year's must-read Trump book." — Lawrence O'Donnell, host of MSNBC's *The Last Word* with Lawrence O'Donnell The international bestseller that brought Trump's long history of racism, mafia ties, and shady business dealings into the limelight. Now with a new introduction and epilogue. Pulitzer Prize-winning investigative journalist David Cay Johnston, who had spent thirty years chronicling Donald Trump for the *New York Times* and other leading newspapers, takes readers from the origins of the Trump family fortune—his grandfather's Yukon bordellos during the Gold Rush—to his tumultuous

gambling and real estate dealings in New York and Atlantic City, all the way to his election as president of the United States, giving us a deeply researched and shockingly full picture of one of the most controversial figures of our time.

Trump - The Biography Mar 05 2020 Aside from politics, this biography serves to illuminate the character, mindset, and personality of Trump in a never-before-seen way.

Think Like a Champion Feb 25 2022 Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich

Trump Never Give Up May 31 2022 In *Never Give Up*, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures, and weaknesses.

Win Bigly Feb 13 2021 The New York Times bestseller that explains one of the most important perceptual shifts in the history of humankind Scott Adams was one of the earliest public figures to predict Donald Trump's election. The mainstream media regarded Trump as a lucky clown, but Adams – best known as “the guy who created Dilbert” -- recognized a level of persuasion you only see once in a generation. We're hardwired to respond to emotion, not reason, and Trump knew exactly which emotional buttons to push. The point isn't whether Trump was right or wrong, good or bad. Adams goes beyond politics to look at persuasion tools that can work in any setting—the same ones Adams saw in Steve Jobs when he invested in Apple decades ago. *Win Bigly* is a field guide for persuading others in any situation—or resisting the tactics of emotional persuasion when they're used on you. This revised edition features a bonus chapter that assesses just how well Adams foresaw the outcomes of Trump's tactics with North Korea, the NFL protesters, Congress, and more.

Trump: The Art of the Deal Aug 22 2021 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. “I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post
