Blood of Requiem (Epic Fantasy, Dragons, Free Fantasy Novel) Sep 07 2020
Free epic fantasy novel! Song of Dragons -- a fantasy trilogy of blood, steel, and dragonfire. For fans of epic fantasy like A Game of Thrones and The Lord of the Rings. **BOOK ONE: BLOOD OF REQUIEM** Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins,

hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war? **Blood of Requiem** -- a free epic fantasy novel for fans of dragons, A Game of Thrones, and swords and sorcery. _____ **THE**

One Man's Initiation—1917 Dec 23 2021 "One Man's Initiation—1917" by John Dos Passos. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Falkenhorst Jan 30 2020

Napoleon's Buttons Feb 22 2022 Napoleon's Buttons is the fascinating account of seventeen groups of molecules that have greatly influenced the course of history. These molecules provided the impetus for early exploration, and made possible the voyages of discovery that ensued. The molecules resulted in grand feats of engineering and spurred advances in medicine and law; they determined what we now eat, drink, and wear. A change as small as the position of an atom can lead to enormous alterations in the properties of a substance—which, in turn, can result in

great historical shifts. With lively prose and an eye for colorful and unusual details, Le Couteur and Burreson offer a novel way to understand the shaping of civilization and the workings of our contemporary world.

Mahatma Gandhi Mar 02 2020 GANDHI: FACTS AND LITTLE KNOWN STORIES ABOUT THE INDIAN THAT SHOOK THE WORLD Mohandas Karamchand Gandhi was not born with the physical qualities of a leader. A weak, shy and introverted child like him with the fear of both God and man would be expected to be soon absorbed into the collective consciousness and belief systems shared by the - almost half a billion - Indians of his time: not trying to make a change, but trying to make a living. What happened to Mohandas? Where did that fearful child find the courage to think differently, and most importantly, to act differently? In his book, Mahatma Gandhi Facts and Surprising Unknown Stories, Barry Powell, using storytelling, sheds light on Mohandas Gandhi's personality as well as the emotional adventures that contributed to the shaping of his unique leadership style. Everything you Ever Wanted to Know About Gandhi is in this Book! Mahatma Gandhi Facts and Surprising Unknown Stories is a compilation of the most interesting stories and facts from Gandhi's biographical timeline, which sheds light on the human side of this almost supernatural leader and gives us answers to hundreds of hot questions. Amongst them: -

What are the two sins that Gandhi committed when he was a teenager? -Why did Gandhi try to commit suicide? -What happened the night of his father's death, which haunted him and filled him with guilt throughout his lifetime? -Was Gandhi a vegetarian by choice or by religion? -What happened that completely destroyed his career as a lawyer before it even started? -How did he find himself in Africa shortly after? -What happened in Africa that shaped his destiny to become a freedom fighter? -What were Gandhi's true feelings for his wife Kasturba? -Who was the fascinating woman that bewitched Gandhi while he was married to Kasturba? -What happened shortly after he founded his Ashram, which almost led them to bankruptcy? -What was Gandhi's main argument against the use of machines? -Which important personality gave the title of Mahatma (Great Soul) to Gandhi? -When and why did Gandhi deny his Western clothes and started appearing in his white Indian loincloth? -What astonishing thing did he say about the Bible? -If he admired Jesus, why didn't he become a Christian? -What were his feelings about all living beings of creation? -What did Gandhi say the moment that Kasturba died in prison? -Why didn't Gandhi celebrate on India's Independence Day? -What exactly happened on the day of his assassination? -Who was the man that killed Gandhi? -Much much more! An inspiring and touching book about everything you ever wanted to ask about Gandhi! 1

Gradual failure : the air war over North Vietnam 1965-1966
Nov 21 2021

The Button Dec 11 2020 The President has the power to end the world in minutes. Right now, no one can stop him. Since the Truman administration, America has been one "push of a button" away from nuclear war—a decision that rests solely in the hands of the President. Without waiting for approval from Congress or even the Secretary of Defense, the President can unleash America's entire nuclear arsenal. Almost every governmental process is subject to institutional checks and balances. Why is potential nuclear annihilation the exception to the rule? For decades, glitches and slip-ups have threatened to trigger nuclear winter: misinformation, false alarms, hacked warning systems, or even an unstable President. And a new nuclear arms race has begun, threatening us all. At the height of the Cold War, Russia and the United States each built up arsenals exceeding 30,000 nuclear weapons, armed and ready to destroy each other—despite the fact that just a few hundred are necessary to end life on earth. From authors William J. Perry, Secretary of Defense in the Clinton administration and Undersecretary of Defense for Research and Engineering in the Carter administration, and Tom Z. Collina, the Director of Policy at Ploughshares Fund, a global security foundation in Washington, DC, *The Button* recounts the terrifying history

of nuclear launch authority, from the faulty 46-cent microchip that nearly caused World War III to President Trump's tweet about his "much bigger & more powerful" button. Perry and Collina share their firsthand experience on the front lines of the nation's nuclear history and provide illuminating interviews with former President Bill Clinton, former Secretary of Defense Jim Mattis, Congressman Adam Smith, Nobel Peace Prize winner Beatrice Fihn, senior Obama administration officials, and many others. Written in an accessible and authoritative voice, *The Button* reveals the shocking tales and sobering facts of nuclear executive authority throughout the atomic age, delivering a powerful condemnation against ever leaving explosive power this devastating under any one person's thumb.

Eagles on Their Buttons Nov 29 2019 Recounts the history of the first all-Black regiment from Ohio

Rural Rides Mar 14 2021 *Rural Rides* is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing *Rural Rides*, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free

vent to Cobbett's opinions
The Button War Oct 01 2022 Newbery Medalist Avi delivers a stark, unflinching account of the boys of a tiny Polish village during the Great War who are determined to prove themselves with a simple dare that spins disastrously out of control.

Insignia of Independence Oct 09 2020

My Vietnam War Oct 21 2021 Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as *My Vietnam War*. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written,

with vivid detail that you will never forget.

Button Power Jan 24 2022 "A collection of more than 2,000 colorful and artistic pin-back buttons, forming a people's history of American culture and politics that focuses on a range of subjects: advertising, arts and entertainment, historical events, movements and causes, humor, nature, celebrated personalities and organizations, geographical features, sports, transportation, wars and anti-war movements"--

Hi My Name Is Cj Jun 04 2020 Hi My Name Is C.J. is an easy to read, fun, interactive children's book. Meet 5 year-old C.J. and learn about all the things he likes and does. Enjoy the interactive pages by writing your own C.J. story and have fun drawing and colorizing the characters. Have fun and use your imagination.

Learn French with Classics War of the Buttons Jun 16 2021 Best way to learn French by reading Learn French with the famous novel from Louis Pergaud, *La Guerre des Boutons*. The best way to learn French just by reading. No need to look up words with our interlinear material! We have added a word for word interlinear translation to the French text. This means that the meaning of every French word is immediately accessible, which in turn will make it much easier for you to expand your French vocabulary fast. How to learn French with this book Use the following method to learn French vocabulary fast and easy. Read the stories and re-read them until you know

almost all the words. This is a fast process because there's no lookup time. Then focus on the remaining words that you still don't know by marking those in the text or noting their pages. Because of the literal and idiomatic interlinear text this is the best way to learn French reading fast. Also, contact us on shop.hypLern.com for non-translated pdf versions of this book with which you can practice reading French without the interlinear translation. The same goes for the mp3s that go with the text. The best app to learn French is also available for this book, HypLern Online. For import on Paperwhite, just ask us for a pdf once you bought the Kindle or Paperback version of this book. The HypLern project has been creating manually word-for-word translated language material since 2006. The aim of our project is to allow students to start reading the language of their choice immediately, and expand their vocabulary fast. Learn French from basics by reading from day one. Check out our HypLern interlinear Dutch, German, Russian, Spanish or other languages on Amazon as well!

Eagles on Their Buttons Aug 31 2022 *Eagles on Their Buttons* is a fascinating examination of the Fifth Regiment of Infantry, United States Colored Troops -- the Union Army's first black regiment from Ohio. Although the Fifth USCT was one of more than 150 regiments of black troops making up more than 10 percent of the Union Army at the end of the war, it was unique. The majority of USCT regiments were made up

of freed men who viewed the army as an escape from slavery and a chance to take up arms against their former masters. The men serving in the 5th USCT, however, were freemen who were raised in a northern state and saw serving in the army both as a way to gain equal rights under the law and as an opportunity to prove their worth as men. The Soldier with the Golden Buttons - Adapt for Youth Jun 24 2019 *The Soldier with the Golden Buttons - Adapt For Youth* "The Soldier with the Golden Buttons - Adapt For Youth" presents a child's view of the Holocaust. It is the story of Jewish children wrenched from a carefree childhood to be overwhelmed by the brutal savagery of war. A few days are enough to turn them into adults forced to content with hunger and thirst, fear of death, and with the horror of being taken away from their mothers. Closed in a wagon, children are helping each other. The relation between six-year-old Biba and three-year-old Nicole written in warmth simplicity is most touching, and the tragic end of Nicole burns itself into the reader's mind and heart. Only their inner world of childlike imagination of dreams and fairy tales, can help them confront reality while maintaining their innocence.

BearCity Feb 10 2021 Based on the award-winning feature-length movie, *Bear City: The Novel* follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in

New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears.

A Flag Unfurled Oct 28 2019

A graduate of Phillips Exeter Academy, John L. Hobson II could have chosen a life of comfort and followed his father's and grandfather's footsteps into the family business. Instead, he left his studies at Bryant and Stratton College in Boston and joined the portentous American war effort in 1916. This collection of letters from Hobson to his family in Haverhill, Massachusetts, collected and edited by Hobson's son, Stephen Gale Hobson, chronicles a young American man's foray into the European battlefields of World War I. Eloquently written and intensely felt, these letters poignantly express the horrors of wartime combat and the love a son has for his family and his country. The letters begin at the National Guard training camp in Plattsburgh, New York, and chronicle his trials and travails as a new soldier at Camp Curtis Guild, Jr. in Boxford, Massachusetts. From

there, the young enlistee heads to the front in France at Chemin des Dames, Toul, and Chateau Thierry. He learns advanced strategy and field tactics at the Saumur Artillery School in France. For his battlefield valor, he receives citations for bravery and earns a Purple Heart. A real portrait of a place in history now only known in books and film, *A Flag Unfurled: The War Letters of John L. Hobson II* breathes new life into the war and America of nearly a century ago.

Diary of Squandered Valor

Dec 31 2019 "A Gunner's Mate's gripping account of his ship's terrifying run through German U-boats' infamous gauntlet of death in the icy North Seas--in the U.S.'s first convoy to Russia before World War II was even declared"-- Provided by publisher.

Flight of Remembrance Jan 12 2021 Now an Award-Winning Finalist in the Non-Fiction: Narrative category of The 2012 USA Best Book Awards, sponsored by USA Book News. Obtain a free 40-page excerpt on www.kirschstonebooks.com. Against the backdrop of World War II tragedy and devastation in Latvia, Poland and Germany and three decades of European history, this true narrative provides a window into the palpitating heart of wartime upheaval through the lives of Rolf Dutzmann and Lilo Wassull--two people fatefully positioned "on the other side." In December of 1939, swept along on a tide of dire necessity and circumstance due to the imminent Soviet takeover of his homeland, Rolf, a young Latvian aeronautical engineering student, flees with his family to Germany, a country fully under Hitler's control and already engaged in a brutal war. While the account chronicles Rolf's pursuit of his technical dream against daunting wartime odds, it is first and foremost a poignant love story that plays out against a panorama of worldwide chaos and destruction. It is also a story of the seen and unseen forces that coalesce to keep Rolf and

Lilo alive after they meet in 1940 Berlin, leading them through a chain of cataclysmic events including Rolf's draft into the Luftwaffe and his father's assignment as chief inspector of V-2 rocket production; the bombing of Berlin; the destruction of their homes; their numerous desperate, cross-country escapes from the bombing, the advancing Soviet troops from the east, and other Allied forces from the west; the POW camp hardships; and the deprivation of the postwar years. Despite the immeasurable evil, suffering and desolation of World War II, a synchronistic chain of events provides an uplifting reminder that love and hope may take wing even out of the ashes of life's most terrifying adversities.

[Slippin' Out of Darkness](#) Jul 18 2021 The first biography of the seminal music group WAR whose many hits include "Spill the Wine," "All Day Music," "Why Can't We Be Friends?" "Slippin' into Darkness," "The Cisco Kid," and - of course - "Low Rider." They combined rock, funk, soul, R&B, jazz, and a strong Latin vibe in their music, they have been awarded two Platinum and eight Gold records in their career. Their album "The World is a Ghetto" was the bestselling release of 1973 and was #444 on the list of "Rolling Stone's Top 500 Albums" list. This unauthorized book follows the group from their early incarnations when Harold Brown and Howard Scott met to form the Creators and then the Night Shift, to their partnership with former

Animals lead singer Eric Burdon, to a highly successful career on their own with the core original lineup of Brown, Scott, Lee Oskar, Lonnie Jordan, B.B. Dickerson, Papa Dee Allen, and Charles Miller. The story also follows the band through their later, leaner years, the tragic deaths of two members, and the conflicts that led to a fissure and a split of performing entities that continues to this day. Featuring original interviews, archival research, and musical analysis and commentary, "Slippin' Out of Darkness: The Story of WAR" tells the tale of one of the most unique bands in the history of Classic Rock-era music.

A Love Song, A Death Rattle, A Battle Cry Sep 19 2021 One part mixtape, one part disorientation guide, and one part career retrospective, Kyle "Guante" Tran Myhre's debut looks you directly in the eye and doesn't let you flinch. Ranging from justice to love, community action to personal reflection, *A Love Song, A Death Rattle, A Battle Cry* is a dedication to craft. Clocking in before the rest of us are even awake, the book wastes no time. It does the work and beckons you to follow. A compilation of poems, lyrics and essays from the UN presenter, MC, and two-time National Poetry Slam champion, this book is a love song tucked into a grenade, a necessary call that demands a response.

[A Complicated Legacy](#) May 04

2020 If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

The Battle of Tippecanoe May 16 2021 *Includes pictures *Explains the roles played by Tecumseh and William Henry Harrison before, during, and after the battle *Includes various accounts of what happened at the battle according to both sides *Includes a bibliography for

further reading *Includes a table of contents The Battle of Tippecanoe, fought on November 7, 1811 near present-day Lafayette, Indiana, involved forces of fewer than 2,000 Native American warriors and white soldiers, and only about 300 men were killed or wounded on both sides. Given those numbers, it's apparent that the battle was far from being a Saratoga or a Gettysburg in terms of its scale or significance as an historical turning point, yet it was one of the most important battles in shaping American history during the early 19th century. The battle also involved an epic confrontation between two important American figures: William Henry Harrison, who would become the 9th president of the United States by running on his success in the battle, and the Shawnee war chief Tecumseh, arguably the most famous Native American leader in American history. From the American Revolution up through the Battle of Tippecanoe, Native Americans in the Old Northwest (today's Midwestern states) had been putting up stout resistance to that region's settlement by white land speculators and settlers. Things came to a head when Tecumseh and his brother, the Prophet Tenskwatawa, spearheaded a movement in the region that greatly influenced the area's Native Americans. In 1806, Harrison began to publicly denounce Tenskwatawa to other tribal leaders, calling him a fraud and charlatan, but the Shawnee Prophet responded by

accurately predicting a solar eclipse, which embarrassed Governor Harrison, and after this event, which tribal leaders took as a sign of Tenskwatawa's authenticity, his movement grew even more rapidly. By 1808, Tenskwatawa and his followers had moved west and founded a large, multi-tribal settlement near the confluence of the Tippecanoe and Wabash Rivers, called Prophetstown or Tippecanoe. Assisted by his brother Tecumseh, Tenskwatawa's settlement grew tremendously and eventually became the largest Native American settlement in the region. It also served as a Native American cultural center and provided a steady cadre of warriors ready to hear the Prophet's message that they should return to their ancestral lifestyles and force the white settlers and their culture out of their territory. Although accounts of the battle conflict, all agree that sentinels aroused the main body of the American troops when they detected Native American warriors attacking the Americans' perimeter from the south. The initial Native American attack struck the southern point of the defensive perimeter around 4:30 a.m. on November 7, 1811, and almost immediately the warriors rushed in among the American defenders manning that sector. Soldiers defending the southern side of the perimeter suffered the highest casualties, with the Yellow Jackets suffering a 30% casualty rate, but in fighting lasting about two hours Harrison's force of roughly 1,000, suffered only 62

dead and about 120 wounded. As the sun rose, the warriors began running low on ammunition, and the light revealed their small numbers, leading them to break off the attack and retreat towards Prophetstown. The battle was hardly a decisive victory, but at the end of the fighting the Americans still held their perimeter, allowing them to claim victory. While Tippecanoe was clearly not a total victory, and Native American resistance would continue through the War of 1812, the battle is widely

considered the end of Tecumseh's War and did help bring about the decline of Native American ascendancy in the region. The Battle of Tippecanoe: The History and Legacy of the American Victory That Ended Tecumseh's War analyzes the background that led up to the battle and its aftermath.

Certain Personal Matters Aug 19 2021 This early edition of H.G. Wells features the author's amusing commentary and opinion about the customs and issues of his time.

Half Past Midnight Aug 07 2020 The Doomsday Clock gauges the threat of nuclear war. Currently, the clock is set at six minutes before midnight. What happens after the hands reach midnight? Survivalist Leeland Dawcett finds out when he and his family are plunged into the nightmare of their country returned to a third-world state. No phones. No computers. No television. At first, Leeland thinks basic survival is the answer. Until he crosses the path of the wrong guy... Someone who wants to do more than just survive...
