Backwards in High Heels Aug 06 2020 The world is a fraught place for the contemporary female. Working mothers are still expected to make their children's costumes for the school play, despite the fact that home economics was abolished in the Seventies; we're told it's not looks but brains that count, and yet if we dare to leave the house looking vaguely our age we're made to feel like failures; women's magazines run earnest articles about the evils of size 00 culture, only to feature models with hips like 10-year-old boys a few pages later; we pay the same level of taxation as men, and yet on average we earn 25% less. So, this book - a book for women who never got around to perfecting the art of domestic divinity but would quite like to be able to cook supper for six without having a nervous breakdown; who never quite mastered *Cosmo's* 101 ways to please your man, but don't want the embarrassment, not to say inconvenience, of him running off with a 19-year-old Russian supermodel.

Mexico City Blues May 15 2021 Kerouac's most important poem, *Mexico City Blues*, incorporates all the elements of his theory of spontaneous composition. Memories, fantasies, dreams, and surrealistic free association are all lyrically combined

in the loose format of the blues to create an original and moving epic. "I want to be considered a jazz poet blowing a long blues in an afternoon jam session on Sunday. I take 242 choruses; my ideas vary and sometimes roll from chorus to chorus or from halfway through a chorus to halfway into the next." "A spontaneous bop prosody and original classic literature." - Allen Ginsberg; "Kerouac calls himself a jazz poet. There is no doubt about his great sensitivity to language. His sentences frequently move into tempestuous sweeps and whorls and sometimes they have something of the rich music of Gerard Manley Hopkins of Dylan Thomas" - The New York Herald Tribune

Gyms are for exercise, not cleavage.) Even if you're so confident, you've been attracting guys like a honey-dipped man magnet for years - VeryClassy still has something for you. This illustrated volume is packed with advice for the girl who doesn't want to be a Relationship Chameleon, the girl who understands that skinny fat is worse than just plain fat, and the girl who needs a little help discovering the silver lining of a hangover. Very Classy is the ultimate guide for discerning this generation's ladies from the tramps.

Authors Laren Stover and Paul Himmelein deliver wit, whimsy, and insider wisdom as they build upon the five types of Bohemians—Folkloric, Beat, Dandy, Nouveau and Zen—exploring two additional Bohemian subsets: the earth-loving Fairy Folk with their mystical glamour, and the dapper denizens of the shadows, otherwise known as Dandy Goths, charmingly detailing their peculiar eccentricities and styles. The authors also expand on the elevated ethos, ecologically driven aesthetic and herbivore habits of the Zen Bohemian, the modern world's most likely saviors. With new illustrations by the acclaimed international artist Izak, *Bohemian Manifesto* dares you to open to any page and let its shimmering descriptions tempt you to live a more authentic life.

Fancy Nancy Big Book Dec 10 2020 No one knows fancy like Nancy.

Lessons from Madame Chic Apr 13 2021 Inspired by Paris, this lighthearted and deceptively wise contemporary memoir serves as a guidebook for women on the path to adulthood, sophistication, and style. Jennifer Scott's self-published success is now a beautifully packaged and fully illustrated gift book, perfect for any woman looking to lead a more fulfilling, passionate, and artful life. Paris may be the City of Light, but for many it is also the City of Transformation. When Jennifer Scott arrived in Paris as an exchange student from California, she had little idea she would become an avid fan of French fashion, lifestyle, and sophistication. Used to a casual life back home, in Paris she was hosted by a woman she calls "Madame Chic," mistress of a grand apartment in the Sixteenth Arrondissement. Madame Chic mentors Jennifer in the art of living, with elegance and an impeccably French less-is-more philosophy. Three-course meals prepared by the well-dressed Madame Chic (her neat clothes covered by an apron, of course) lure Jennifer from her usual habit of frequent snacks, junk food, sweatpants, and TV. Additional time spent with "Madame Bohemienne," a charming single mother who passionately embraces Parisian joie de vivre, introduces readers to another facet of behind-closed-doors Parisian life. While Francophiles will appreciate this memoir of a young woman's adventure abroad, others who may not know much about France will thrill to the surprisingly do-able (yet chic!) hair and makeup lessons, plus tips on how to create a capsule wardrobe with just ten useful core pieces. Each chapter of *Lessons from Madame Chic* reveals the valuable secrets Jennifer learned while under Madame Chic's tutelage—tips you can master no matter where you live or the size of your budget. Embracing the classically French aesthetic of quality over quantity, aspiring Parisiennes will learn the art of eating (deprive yourself not; snacking is not chic), fashion (buy the best you can afford), grooming (le no-makeup look), among other tips. From entertaining to decor, you will gain insights on how to cultivate old-fashioned sophistication while living an active, modern life. *Lessons from Madame Chic* is the essential handbook for a woman that wants to look good, live well, and enjoy that Parisian je ne

sais quoi in her own arrondissement.

She falls into a job at the college coffee shop, and a crush on her flirty boss, Gary. Just when she's about to test Gary's feelings, Mimi, the grandmother who raised her, suffers a stroke. Dora rushes back home to Forsyth, NC, and finds herself running her grandmother's vintage clothing store. The store has always been a fixture in Dora's life; though she grew up more of a jeans-and-sweatshirt kind of girl, before she even knew how to write, Mimi taught her that a vintage 1920s dress could lift a woman's spirit. While working there, Dora befriends Mimi's adorable contractor, Conrad. Is he after Dora, or is working from a different blueprint? And why did Mimi start writing down—and giving away—stories of the dresses in her shop? When Mimi dies, Dora can't get out of town fast enough and cedes control of the store to her money-hungry aunt who wants to turn it into a t-shirt shop for tourists. But ultimately, she returns to Forsyth, willing to battle whatever may stand in the way of her staying there. Dora can trade her boring clothes for vintage glamour, but can she trade her boring life for one she actually wants?

Sporting Guide Jun 03 2020 A brilliantly imaginative, illustrated recreation of an 1890s Los Angeles pocket guide, or "Sporting Guide," to the brothels of the day. Los Angeles, 1897, When Vice Ruled The City Long before the glitz and glamour of Hollywood, Los Angeles was a city where dreamers from all over the world came to make their fortunes—where a madam named Pearl Morton entertained the most powerful politicians and entrepreneurs inside her namesake brothel. In a series of haunting, interlinked stories set in the period, author and filmmaker Liz Goldwyn re-creates a "sporting guide"—a secret diary and guidebook of the best brothels and prostitutes in the city. In this world a hushed conversation inside a velvet-lined boudoir could destroy a man, and the rustle of bushes might reveal a sordid assignation. Based on original research in the libraries and archives of Los Angeles, these fictional stories are often inspired by real historical characters—like the laudanum-addicted Cora Phillips, whose tombstone Goldwyn rediscovered, or Bartolo Ballerino, Italian immigrant slumlord of the forgotten red-light district, or thirteen-year-old Frances dreaming of life beyond the Children's Orphan Asylum. Interspersed in these stories—and featuring over a hundred historical photos and illustrations—Goldwyn reveals the history of the period, from the rage for corsets to crushed pearl powder cosmetics and the awful cures for syphilis. *Sporting Guide* evokes a lost world of those on the margins of Los Angeles, of the hustlers who made it into one of the great cities of the world, and Goldwyn gives a poignant voice to the people and stories forgotten by time.
