[The A-Z of Gender and Sexuality](#) Dec 11 2020 There can be confusion around the appropriate terminology for trans and queer identities, even within the trans community itself. As language is constantly evolving, it can be especially difficult to know what to say. As a thorough A-Z glossary of trans and queer words from 'ace' to 'xe', this dictionary guide will help to dispel the anxiety around using the "wrong" words, while explaining the weight of using certain labels and providing individuals with a vocabulary for personal identification. Having correct and accurate terminology to describe oneself can be empowering, especially with words and phrases that describe gender identity, sexuality, sexual orientation, as well as slang relevant to LGBTQ+ rights and anti-discrimination, queer activism, gender-affirming healthcare and psychology. Written in a traditional A-Z glossary style, this guide will serve as a quick reference for looking up individual words, as well as an in-depth look at trans history and culture.

Dangerous Dreams Feb 10 2021 New York Times best-selling author and top-selling Amazon author, Nick Russell, says, "Nasty and nice! Good people in bad situations, and bad people in positions of power make 'Dangerous Dreams' an engaging romp. GK nails it." Firing a vindictive serial killer is dangerous business, especially when that killer and the boss are also traitors. Between them, George Janis rides an emotional roller coaster. As a disadvantaged executive of a multinational company, this corporate climber evolves from a strong leader to a potential homicide victim, to a reluctant intelligence operative, to an avenging angel. With the help of his old friend, Sam Braxton, a retired executive of America's intelligence community, they stumble onto a plot of international intrigue. How will they respond? Who will survive? John W. Stevens, President of the United States, recalls Sam Braxton to military service. The mission? Leverage Colonel Braxton's unique off-the-books network, including George, to root out domestic and international leaders of a massive shadow organization. Their intent? Decimate American democracy for profit. Under White House direction, a covert military operation aims to neutralize a

foreign government's massive attempts to subvert the American political process with the support of nefarious domestic operatives. Will they succeed?
