**Beautiful Ruins** Aug 10 2020 The No. 1 New York Times Bestseller Jess Walter's Beautiful Ruins is a gorgeous, glamorous novel set in 1960s Italy and a modern Hollywood studio. The story begins in 1962. Somewhere on a rocky patch of the sun-drenched Italian coastline a young innkeeper, chest-deep in daydreams, looks out over the incandescent waters of the Ligurian Sea and views an apparition: a beautiful woman, a vision in white, approaching him on a boat. She is an American starlet, he soon learns, and she is dying. And the story begins again today, half a world away in Hollywood, when an elderly Italian man shows up on a movie studio's back lot searching for the woman he last saw at his hotel fifty years before. Gloriously inventive, funny, tender and constantly surprising, Beautiful Ruins is a novel full of fabulous and yet very flawed people, all of them striving towards another sort of life, a future that is both delightful and yet, tantalizingly, seems just out of reach. **Fortune Favors the Dead** Sep 30 2019 A wildly charming and fast-paced mystery written with all the panache of the hardboiled classics, Fortune Favors the Dead introduces Pentecost and Parker, an audacious new detective duo for the ages. "Razor-sharp style, tons of flair, a snappy sense of humor, and all the most satisfying elements of a really good noir novel, plus plenty of original twists of its own."—Tana French, bestselling author of The Searcher It's 1942 and Willowjean "Will" Parker is a scrappy circus runaway whose knife-throwing skills have just saved the life of New York's best, and most unorthodox, private investigator, Lillian Pentecost. When the dapper detective summons Will a few days later, she doesn't expect to be offered a life-changing proposition: Lillian's multiple sclerosis means she can't keep up with her old case load alone, so she wants to hire Will to be her right-hand woman. In return, Will is to receive a salary, room and board, and training in Lillian's very particular art of investigation. Three years later, Will and Lillian are on the Collins case: Abigail Collins was found bludgeoned to death with a crystal ball following a big, boozy Halloween party at her home—her body slumped in the same chair where her steel magnate husband shot himself the year before. With rumors flying that Abigail was bumped off by the vengeful spirit of her husband (who else could have gotten inside the locked room?), the family has tasked the detectives with finding answers where the police have failed. But that's easier said than done in a case that involves messages from the dead, a seductive spiritualist, and Becca Collins—the beautiful daughter of the deceased, who Will quickly starts falling for. When Will and Becca's relationship dances beyond the professional, Will finds herself in dangerous territory, and discovers she may have become the murderer's next target.

**Gold Fame Citrus** Jul 09 2020 Named a Best Book of the Year by The Washington Post, NPR, Vanity Fair, LA Times, San Francisco Chronicle, Huffington Post, The Atlantic, Refinery 29, Men's Journal, Ploughshares, Lit Hub, Book Riot, Los Angeles Magazine, Powells, BookPage and Kirkus Reviews The much-anticipated first novel from a Story Prize-winning "5 Under 35" fiction writer. In 2012, Claire Vaye Watkins's story collection, *Battleborn*, swept nearly every award for short fiction. Now this young writer, widely heralded as a once-in-a-generation talent, returns with a first novel that harnesses the sweeping vision and deep heart that made her debut so arresting to a love story set in a devastatingly imagined near future: Unrelenting drought has transfigured Southern California into a surreal, phantasmagoric landscape. With the Central Valley barren, underground aquifer drained, and Sierra snowpack entirely depleted, most "Mojavs," prevented by both armed vigilantes and an indifferent bureaucracy from freely crossing borders to lush regions, have allowed themselves to be evacuated to internment camps. In Los Angeles' Laurel Canyon, two young Mojavs--Luz, once a poster child for the Bureau of Conservation and its enemies, and Ray, a veteran of the "forever war" turned surfer--squat in a starlet's abandoned mansion. Holdouts, they subsist on rationed cola and whatever they can loot, scavenge, and improvise. The couple's fragile love somehow blooms in this arid place, and for the moment, it seems enough. But when they cross paths with a mysterious child, the thirst for a better future begins. They head east, a route strewn with danger: sinkholes and patrolling authorities, bandits and the brutal, omnipresent sun. Ghosting after them are rumors of a visionary dowsner--a diviner for water--and his followers, who whispers say have formed a colony at the edge of a mysterious sea of dunes. Immensely moving, profoundly disquieting, and mind-blowingly original, Watkins's novel explores the myths we believe about others and tell about ourselves, the double-edged power of our most cherished relationships, and the shape of hope in a precarious future that may be our own.

**Iris Apfel** Mar 17 2021 "I have rarely met someone as vivid, as alive, as vital, vivacious, irreverent, joyous, relevant, and needed as Iris. She breathes young air, thinks young thoughts, and gathers no dust. I simply adore her."--Dries van Noten A unique and lavishly illustrated collection of musings, anecdotes, and observations on all matters of life and style, infused with the singular candor, wit, and exuberance of the globally revered ninety-six-year-old fashion icon whose work has been celebrated at the Metropolitan Museum of Art's Costume Institute and by countless fans worldwide. A woman who transcends time and trends, Iris Apfel is a true original, one of the most dynamic personalities in the worlds of fashion, textiles, and interior design. As the cofounder with her husband, Carl Apfel, of Old World Weavers, an international textile manufacturing company that specialized in reproducing antique fabrics, her prestigious clientele has included Greta Garbo, Estee Lauder, Montgomery Clift, and Joan Rivers. She also acted as a restoration consultant and replicated fabric for the White House over nine presidential administrations. Iris's travels worldwide and a passion for flea markets of all sorts inspired her work and fueled her passion for collecting fashion and accessories. In 2005, she was the first living person who was not a designer to have her clothing and accessories exhibited at the Costume Institute at the Metropolitan Museum of Art, a blockbuster show that catapulted her to fame and a career as a supermodel, muse, and collaborator for renowned brands, from Citroen to Tag Heuer, and global gigs at Bon Marché in Paris and the Landmark Mandarin Oriental in Hong Kong. In 2015, acclaimed director Albert Maysles released *Iris*, his last film--now an Emmy Award nominee--to a global audience. Now, this self-dubbed geriatric starlet, whose irrepressible authenticity, wit, candor, and infectious energy have earned her nearly a million followers on social media, has created an entertaining, thought-provoking, visually arresting, and inspiring volume--her first book--that captures her unique *joie de vivre*. *Iris Apfel: Accidental Icon*, contains an eclectic mix of musings and 180 full-color and black-and-white photos and illustrations--presented in the same improvisational, multifaceted style that have made Iris a contemporary fashion icon. Astute maxims, witty anecdotes from childhood to the present, essays on style and various subjects, from the decline of manners to the importance of taking risks, fill the book as do lists, both proclamatory, revelatory, and advisory. All are paired with a bold, color-filled, exciting design that varies from page to page. Here, too, is a treasure trove of never-before-published personal photographs and mementos, mixed with images from top international fashion photographers and illustrators with enchanting, surprising novelties such as Disney cartoons, vintage postcards, the Iris Apfel Halloween costume for children, and more.

**The Starlet and the Spy** Mar 29 2022 "This story of the unlikely meeting of two vulnerable women is a beautifully woven page turner. The battle-weary woman and the pin-up girl who meet, connect, separate: each changed by the brief union." --Heather Morris, author of the #1 New York Times bestseller *The Tattooist of Auschwitz* A dazzling work of historical fiction, based on true events, about two women who seem the most unlikely to ever meet: Alice, a Korean war survivor and translator for the American forces in Seoul and Marilyn Monroe, who is visiting Korea on a four-day USO tour. February 1954. Although the Korean War armistice was signed a year ago, most citizens of Seoul still battle to return to some semblance of normalcy. Conditions are dismal. Children beg for food, and orphanages are teeming. Alice J. Kim, a Korean translator and typist for the American forces still sanctioned in the city, yearns for the life she used to live before her country was torn apart. Then Alice's boss makes an announcement--the American movie star Marilyn Monroe will be visiting Korea on a four-day USO tour, and Alice has been chosen as her translator. Though intrigued, Alice has few expectations of the job--what could she and a beautiful actress at the peak of her fame possibly have to talk about? Yet the Marilyn she meets, while just as dazzling and sensual as Alice expected, is also surprisingly approachable. As Marilyn's visit unfolds, Alice is forced into a reckoning with her own painful past. Moving and mesmerizing, *The Starlet and the Spy* is a beautiful portrayal of unexpected kinship between two very different women, and of the surprising connections that can change, or even save, a life.

**No Mother to Guide Her** Nov 12 2020 Elmer Bliss, naive and implacably optimistic champion of the Southern Californian way, uses his newspaper column to defend the movie world's indiscretions from the scandal sheets. As Tinseltown parties end in murder, Elmer innocently runs sunny accounts of the stars' wholesome lives. His crowning moment comes as Miss Viola Lake, Hollywood's favorite clean-cut starlet, is about to be accused of drug abuse and sexual promiscuity during a murder trial that threatens to blow the lid off the film colony. With his good intentions at the ready, Elmer leaps, like a matinee idol, to Viola's protection. With intimate ease, Anita Loos sets up a fondly sardonic and devastatingly funny tour of the glorious artifice and excess that is Hollywood: tasteless fashions, bizarre religious sects, mass murder, sex, divorce, extravagant morals, industry nepotism, and vacuous inhabitants -- fresh from the Midwest -- wandering the boulevards in search of fame and fortune.

**Nancy Reagan** Feb 02 2020 A shocking portrait of the 1980s, America, and the woman whose position helped shape the values and policies of the Reagan administration.

Through over 1,000 interviews collected during four years of exhaustive research and reporting, Kelley reveals Nancy Reagan as a superb public performer, a vain, materialistic social climber, a bitter foe and formidable strategist—an American phenomenon.

**Stella by Starlight** Nov 24 2021 Sharon M. Draper presents “storytelling at its finest” (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can’t. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn’t bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they’re never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella’s community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don’t necessarily signify an end.
