Hard to Handle Jul 06 2020 Black Crowes drummer and cofounder Steve Gorman shares the band's inside story in this behind-the-scenes biography, from their supernova stardom in the '90s to exhilarating encounters with industry legends. For more than two decades, the Black Crowes topped the charts and reigned supreme over the radio waves, even as hair bands, grunge, and hip-hop threatened to dethrone them. With hits like "Hard to Handle," "She Talks to Angels," and "Remedy," their massive success launched them to stardom in the early '90s, earning them a place among rock royalty. They were on the cover of Rolling Stone, MTV played their videos 24/7, and Generation X rediscovered the power of classic rock and blues by digging into multi-platinum classics like Shake Your Money Maker and The Southern Harmony and Musical Companion. But stardom can be fleeting. For the Black Crowes, success slowly dwindled as the band members got caught up in the rock star world and lost sight of their musical ambition. Despite the drinking, drugs, and incessant fighting between Chris and Rich Robinson -- the angriest brothers in rock and roll, with all due respect to Oasis and the Kinks -- the band continued to tour until 2013. On any given night, they could be the best band you ever saw (or the most combative). Then, one last rift caused by Chris Robinson proved insurmountable for the band to survive. After that, the Black Crowes would fly no more. Founding member Steve Gorman was there for all of it -- the coke- and weed-fueled tours; the tumultuous recording sessions; the backstage hangs with legends like Robert Plant, Jimmy Page, and the Rolling Stones. As the band's drummer and voice of reason, he tried to keep the Black Crowes together musically and emotionally. In *Hard To Handle* -- the first account of this great American rock band's beginning, middle, and end -- Gorman explains just how impossible that job was with great insight, candor, and humor. They don't make bands like the Black Crowes anymore: crazy, brilliant, self-destructive, inspiring, and, ultimately, not built to last. But, man, what a ride it was

while it lasted.

Webbed Toes: A Birth Mother's Life Story Apr 14 2021 In *Webbed Toes: A Birth Mother's Story*, Winifred Latham takes readers on the journey of her life, from growing up in small town Washington, North Carolina, to earning a nursing degree from the Medical College of Virginia in Richmond, to locales both stateside and international during her career as a United States Air Force nurse during the Vietnam War era. This candid memoir shares Latham's story as a young woman who was date-raped before finishing nursing school in the late 1950s and, finding herself pregnant, her agonizing decision to give the baby up for adoption. Woven throughout the narrative is her struggle to maintain the secret that she carried with her for 35 years. Latham's story goes full circle when she receives a letter out of the blue from a woman who knows about the child she thought she would never see again.

[When Breath Becomes Air](#) Oct 01 2022 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE

FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and

patient, from a brilliant writer who became both.

Magical Mystery Tours Jun 28 2022 A childhood friend of the Beatles discusses his relationships with Lennon, McCartney, and Harrison before and throughout their careers, during which he witnessed such events as the downfall of Apple Records, the marriage of Lennon to Yoko Ono, and the discovery of the famous Mr. Kite poster. I Live a Life Like Yours Dec 23 2021 "A quietly brilliant book that warms slowly in the hands." —Dwight Garner, *The New York Times* I am not talking about surviving. I am not talking about becoming human, but about how I came to realize that I had always already been human. I am writing about all that I wanted to have, and how I got it. I am writing about what it cost, and how I was able to afford it. Jan Grue was diagnosed with spinal muscular atrophy at the age of three. Shifting between specific periods of his life—his youth with his parents and sister in Norway; his years of study in Berkeley, St. Petersburg, and Amsterdam; and his current life as a professor, husband, and father—he intersperses these histories with elegant, astonishingly wise reflections on the world, social structures, disability, loss, relationships, and the body: in short, on what it means to be human. Along the way, Grue moves effortlessly between his own story and those of others, incorporating reflections on philosophy, film, art, and the work of writers from Joan Didion to Michael Foucault. He revives the cold, clinical language of his childhood, drawing from a stack of medical records that first forced the boy who thought of himself as “just Jan” to perceive that his body, and therefore his self, was defined by its defects. *I Live a Life Like Yours* is a love story. It is rich with loss, sorrow, and joy, and with the details of one life: a girlfriend pushing Grue through the

airport and forgetting him next to the baggage claim; schoolmates forming a chain behind his wheelchair on the ice one winter day; his parents writing desperate letters in search of proper treatment for their son; his own young son climbing into his lap as he sits in his wheelchair, only to leap down and run away too quickly to catch. It is a story about accepting one's own body and limitations, and learning to love life as it is while remaining open to hope and discovery.

How to Open a Business Writing and Publishing Memoirs, Gift Books, Or Success Stories for Clients May 04 2020 Learn what questions to ask and how to interview people for the significant moments in their life stories, and then write, publish, and bind by hand exquisitely-crafted personal gift books, memoirs, or business success stories. Words in memoirs or life success story gift books have a life of their own. The purpose of a hand-made, finely bound memoirs or business success-story gift book is to show how two or more people bring out the best in one another. You'd be surprised how many people are satisfied to pay up to \$10,000 (or more depending upon the publisher) to have only one copy of a hand-bound hardcover book published about their event or life story. What does it take to create and publish a memoirs gift book commemorating a Bar Mitzvah, confirmation, wedding, or true experience? What quality of personal book do you want to make from scratch-writing, printing, and binding? As far as printing and binding, you can make one finished book at a cost to you of only \$1.50-\$4.50. What you charge a client depends on what it costs you. If you create and publish a custom gift book, you'd publish only one copy of a hand bound,

hard-cover book. The tome would contain anywhere from 60 to 100 photos. Text material based on phone or live interviews running at least two hours for one person (or more if needed and about two hours spent per each interview) would be about 80 to 120 published pages—slightly more, but only if necessary. Look at yourself as a designer, writer, interviewer, and book binder. Learn how to make your own pop-up books for all ages.

Not Quite What I Was Planning Apr 02 2020 Deceptively simple and surprisingly addictive, Not Quite What I Was Planning is a thousand glimpses of humanity—six words at a time. One Life. Six Words. What's Yours? When Hemingway famously wrote, "For Sale: baby shoes, never worn," he proved that an entire story can be told using a half dozen words. When the online storytelling

magazine SMITH asked readers to submit six-word memoirs, they proved a whole, real life can be told this way too. The results are fascinating, hilarious, shocking, and moving. From small sagas of bittersweet romance ("Found true love, married someone else") to proud achievements and stinging regrets ("After Harvard, had baby with crackhead"), these terse true tales relate the diversity of human experience in tasty bite-sized pieces. From authors Jonathan Lethem and Richard Ford to comedians Stephen Colbert and Amy Sedaris, to ordinary folks around the world, everyone has a six-word story to tell.

Caterpillar Toes and Butterfly Wings Jan 12 2021 From the hills of Missouri to the top of the Twin Towers, and from the Florida swamps to the Brazilian beaches, God has refused to let His daughter get bored. Through life, loss, dreams, and disasters, He has proven His love and faithfulness. Her parents and grandparents taught her by example how to deal with life when it got difficult-how to laugh at the ridiculous and find joy in the simple things. Motherhood brought immeasurable joy, lots of laughter, and pain beyond expression. She had to trust the Lord to "give his angels charge" over her children to keep them safe through their many escapades, exploits, and accidents, and to hold her faith strong in loss. Rather naive, she often innocently found herself caught up in embarrassing, and sometimes dangerous, situations. She learned to laugh at herself and the messes she got into because crying didn't help! Thanking the Lord for all things, good or bad, became a way of life as a matter of survival. Her family's attempt to build a two-story home in the Florida boonies provided more adventure than she bargained for with alligators, wild hogs,

floods, and fires-but also beauty, bounty, and butterflies. Later finding herself essentially abandoned and emotionally lost, she also found she had lost her sense of direction, which led to wandering around in the wilderness ... until she received a call ... and life changed once more."

A Wild and Precious Life May 28 2022 A lively, intimate memoir from a marriage equality icon of the gay rights movement, describing gay life in the 1950s and 60s New York City and her longtime activism. "Brash, funny and brave." —NPR "A captivating and inspiring story of a queer woman who believed in her right to take up space and be seen."—BuzzFeed "Windsor's story fighting for what she believed in is one that will leave readers inspired." —NBC OUT Edie Windsor became internationally famous when she sued the US government, seeking federal recognition for her marriage to Thea Spyer, her partner of more than four decades. The Supreme Court ruled in Edie's favor, a landmark victory that set the stage for full marriage equality in the US. Beloved by the LGBTQ community, Edie embraced her new role as an icon; she had already been living an extraordinary and groundbreaking life for decades. In this memoir, which she began before passing away in 2017 and completed by her co-writer, Edie recounts her childhood in Philadelphia, her realization that she was a lesbian, and her active social life in Greenwich Village's electrifying underground gay scene during the 1950s. Edie was also one of a select group of trailblazing women in computing, working her way up the ladder at IBM and achieving their highest technical ranking while developing software. In the early 1960s Edie met Thea, an expat from a Dutch Jewish family that fled the Nazis, and a widely respected clinical psychologist. Their partnership lasted forty-four years, until Thea died in 2009. Edie found love again, marrying Judith Kasen-Windsor in 2016. A Wild and Precious Life is remarkable portrait of an iconic woman, gay life in New York in the second

half of the twentieth century, and the rise of LGBT activism.

Trans Aug 19 2021 An extraordinary memoir of transition and transgender politics and culture “Six weeks before sex reassignment surgery (SRS), I am obliged to stop taking my hormones. I suddenly feel very differently about my forthcoming operation.” In July 2012, aged thirty, Juliet Jacques underwent sex reassignment surgery—a process she chronicled with unflinching honesty in a serialised national newspaper column. Trans tells of her life to the present moment: a story of growing up, of defining yourself, and of the rapidly changing world of gender politics. Fresh from university, eager to escape a dead-end job, she launches a career as a writer in a publishing culture dominated by London cliques and still figuring out the impact of the Internet. She navigates the treacherous waters of a world where, even in the liberal and feminist media, transgender identities go unacknowledged, misunderstood or worse. Yet through art, film, music, politics and football, Jacques starts to become the person she had only imagined, and begins the process of transition. Interweaving the personal with the political, her memoir is a powerful exploration of debates that comprise trans politics, issues which promise to redefine our understanding of what it means to be alive. Revealing, honest, humorous, and self-deprecating, Trans includes an epilogue with Sheila Heti, author of *How Should a Person Be?*, in which Jacques and Heti discuss the cruxes of writing and identity.

What a Life! Dec 11 2020 Pesach Bursrein, an old trouper from the Yiddish theater, recalls dramas both onstage and off in this memoir, which he dictated to his wife, Lillian Lux Burstein. The Story of Burstein's successful stage career is played out against the background of political turmoil in Europe, vignettes of life in small towns and big cities, friendships and rivalries among theater folk, family life, emigration to the United States, and tours through Europe, South America, Israel, and

South Africa. Every personal anecdote tells the larger history: theater history and also the history of the Yiddish communities who were his audiences. While Burstein is a legend in Yiddish theater, he was little known outside that world until he was celebrated in Arnon Goldfinger's acclaimed documentary *Der Komediant*. This memoir provides the first window for English readers into the other side of Yiddish culture—the Yiddish burlesque, the traveling Yiddish theater, and the music hall. It will not only delight readers but also reveal a social and cultural history never before described in such detail. Burstein's life is the story of popular Yiddish theater in the first half of the century.

Me and My (Tor)mentor May 16 2021 Unlike my academic writings and talks on all 19 of Bellow's oeuvre, my memoir deals with The Bellow Years which formed a big chunk of my life - the over a dozen meetings with my mentor, the impact of his life's work on me and the many interesting, erudite, inspiring scholars I met as a result of my interest in the public and private Saul Bellow. To name a few: Liela Goldman, James Atlas, Allan Bloom. I feel all those who know me will come to know the real me after reading my warts and all tribute to the writer who made such a big difference in my life. I regard Bellow as my soulmate and, like so many, "the optimistic chronicler of our times," for his strong faith in individuals and for his credo in being "for all the good things, against the bad." Although he recently died, his teachings will remain with me as long as I live. I hope my tribute will serve as a vehicle to pass on to my family and readers what penetrated my soul and will equally rub off on them. Have a good read.

[The Time of My Life](#) Aug 07 2020 Ready for the time of your life? Mike "The Barman" Richardson

invites you to go behind-the-scenes of Mountain Lake, the Dirty Dancing resort, to experience the ongoing romance, mystique and adventure that makes visitors keep coming back for more. Get an up close and personal tour of Mountain Lake Resort, the movie's primary shooting location and stand-in for "Kellerman's Mountain House." It's here that, years after the movie's release, fans gather to relive the film's allure with Dirty Dancing Weekends full of sizzling moves and retro costumes. Mike the Barman pulls back the curtain to reveal the magic of these bashes, from Mike's secret "off-limits" tours to the entertaining anecdotes divulged by the visitors to the resort. Mix one of Mike's signature drinks with the included recipes and feel a part of the fun of trivia night as Mike runs down answers as well as pointing out some of the film's flubs. Everyone knows the hotel bartender holds all the secrets. This is one insider account that adds new layers to the classic romance flick, told as only a beloved bartender can. If you were ever curious about the history of this picturesque hotel, where iconic settings such as Baby's cabin and the "water lift" were captured or are just curious to learn how the legacy of this hit 80s film lives on, this is a memoir that will have you aching for steamy summer nights. Recapture the movie's magic in this love letter to a lodge that offers a resort getaway experience in its pages.

Lost on the PGA and European Tours Aug 31 2022 Jocelyn Hefner grew up in an affluent family always restless, never satisfied, determined to be the best at everything, and the last one to ever give up. As she matured into a woman, all her plans were set to become an international interior designer—until she made the decision to follow her husband's dream instead of her own. In her engaging memoir, Hefner shares details from her journey as she traveled for ten years on the PGA and European tours with her professional golfer husband and became entangled in a world that came with six-thousand-dollar dresses, private jets, and a compulsion to stay by his side so no one

else would. But when he told her their marriage was over, Hefner reveals how she struggled to find herself beyond their glamorous life and, with help from a loving mentor, eventually learned to look inward and embrace a deep and meaningful life. Lost on the PGA and European Tours is the powerful story of one woman's quest to return to her essential self and actualize her own dreams after being lost within a prestigious world of fame and wealth.

Under the Condor's Wing: A Memoir of South America Nov 21 2021 In the early 1960s, Mac Tschanz helped establish a Department of Geology in Bolivia, high in the South American Andes. Unfazed by political intrigues, his next assignment was in Colombia where he trained geologists while mapping in the lawless Sierra Nevada de Santa Marta. During nine years in South America Mac and his wife, Ginny, lived a continuous adventure in exotic surroundings. Their story is recorded in contemporaneous letters, imparting immediacy to an amazing family saga.

Student's Cold War Memoirs Mar 02 2020 At the end of World War II in Europe (1939-1945), the three victorious allies, namely the United States of America, the United Kingdom and the Soviet Union signed the Potsdam Agreement (Polish: Traktat Posdamski - German: Potsdamer Abkommen) in the month of August 1945. This followed the defeat and surrender of the German Army. 1 - The Agreement, amongst other things, dealt mainly with the military occupation and reconstruction of Germany, its demilitarization, reparations, its borders, as well as setting borders of other neighbouring countries involved in the war, including the borders of People's Republic of Poland, USSR and Germany itself. On top of that the Agreement also dealt with the prosecution of war criminals. The treaty was signed by President Harry S. Truman, Prime Minister Clement Attlee and General Secretary Joseph V. Stalin. 2 - The three powers also jointly agreed to invite France and

People's Republic of China to participate in the Council of Foreign Ministers established and assigned with the task to oversee the Agreement.

Pseudo-Memoirs Nov 09 2020 Pseudo-Memoirs redefines the notion of fiction itself, a form that has all too often been understood in terms of its capacity to produce a seeming reality. Rochelle Tobias argues that the verisimilitude of the novel derives not from its object but from the subjectivity at its base. What generates the plausibility of fiction is not the referentiality of its depictions but the intentionality of consciousness. Edmund Husserl developed the idea that consciousness is always intentional in the sense that it is directed outside itself toward something that it does not find so much as it constitutes as an object. Pseudo-memoirs reveal the full implications of this position in their double structure as the tale of their own telling or the fiction of life-writing. In so doing they reveal how the world of fiction is constructed, but more important they bring to the fore the idealist premises that fuel the novel and guarantee its truth, even when it remains an invention of the imagination. Rochelle Tobias explores novels by Thomas Mann, Robert Walser, Thomas Bernhard, and W. G. Sebald in conjunction with philosophical and theoretical texts by René Descartes, Husserl, Friedrich Nietzsche, György Lukács, Roland Barthes, and Maurice Blanchot.
