A Name Unknown (Shadows Over England Book #1) Jan 15 2021 Edwardian Romance and History Gains a Twist of Suspense Rosemary Gresham has no family beyond the band of former urchins that helped her survive as a girl in the mean streets of London. Grown now, they concentrate on stealing high-value items and have learned how to blend into upper-class society. But when Rosemary must determine whether a certain wealthy gentleman is loyal to Britain or to Germany, she is in for the challenge of a lifetime. How does one steal a family's history, their very name? Peter Holstein, given his family's German blood, writes his popular series of adventure novels under a pen name. With European politics boiling and his own neighbors suspicious of him, Peter debates whether it might be best to change his name for good. When Rosemary shows up at his door pretending to be a historian and offering to help him trace his family history, his question might be answered. But as the two work together and Rosemary sees his gracious reaction to his neighbors' scornful attacks, she wonders if her assignment is going down the wrong path. Is it too late to help him prove that he's more than his name?

The Nine Unknown Nov 12 2020 The "Nine Unknown Men" are a fictional secret society founded by the Mauryan Emperor Asoka around 270 BC to preserve and develop knowledge that would be dangerous to humanity if it fell into the wrong hands. The nine men are embodiment of good and face up against nine Kali worshippers, who sow confusion and masquerade as the true sages. The story surrounds a priest called Father Cyprian who is in possession of the books but who wants to destroy them out of Christian piety, and a number of other characters who are interested in learning their contents. The nine books entrusted to the Nine Unknown contain information on (1) Propaganda and Psychological warfare, (2) Physiology, including secrets concerning the "touch of death", (3) Microbiology, (4) Alchemy, (5) Communication, including communication with extraterrestrials, (6) Gravity, and anti-gravity devices (Vimanas, mythological flying machines of ancient India), (7) Cosmology, including hyperspace and time-travel, (8) Light, and a technology capable of modifying the speed of light and (9) Sociology, including rules predicting the rise and fall of empires.

[The Conspiracy Unknown](#) Jan 27 2022 The story starts with the birth of a prince and the series of events that follows. Fifteen eons ago, the 'Great War' was fought between the Anndas and a group of revolutionaries, in which the revolutionaries came out victorious. The Anndas were chased out of the empire and were made to live in the forest like nomads. The revolutionaries named Ragupta Moriya as their king, and thus the Great Moriyian Empire was formed. Great songs and stories were written about Ragupta Moriya and his ten war generals who fought out the evil Annda Empire. After fifteen years, a plot is made to overthrow the Moriyian Empire. And it all falls on the shoulders of Ragupta to win the battle. After nearly 2300 eons, the life of Dr Sebastian Stein is under peril. A mysterious man in a black suit is in pursuit of capturing Dr Stein, but Sebastian is saved by his father's old friend. When Sebastian starts to learn about the death of his father, he realizes there's no other way to escape but to run for his life. What exactly happened in Before Clearance Existence (BCE) for it to affect the life of Sebastian Stein in After Clearance Existence (ACE)?

Earth Unknown Oct 12 2020 Some things are meant to stay forgotten... Former Centurion Space Force Captain Nathan Stacker is a criminal. He isn't proud of it, but the truth is there aren't many options for men like him in a place like Proxima - humankind's closest settlement to Earth. It's surprisingly hard to make a clean start on a planet with a population of over one hundred million, and the only thing keeping him out of a containment center is a job as a courier for the Trust - the planet's ruthless crime syndicate. It isn't the life he dreamed of when he entered the Space Force, but at least he has a wife who loves him. Everything changes when Nathan returns home to find her violently murdered, killed over a dangerous secret he never knew she held. Charged with her homicide, desperate to uncover the truth and avenge her death, Nathan launches a bold escape to the only place in the universe he thinks he'll be safe: Earth. He couldn't be more wrong. He's about to learn that some secrets are bigger than a planet. Some secrets are impossible to escape. And some secrets have the power to destroy more than one life and more than one world. Some secrets have the power to destroy everything.

Darkness Unknown May 19 2021 You have been lied to. Werewolves, vampires, ghosts ... they aren't what you think. After the death of her mother, Everly Boderleth has to go back to her spooky hometown, Shroudhaven, and she has a plan to get in and out as quick as possible. Step one, clear out the family home and antique store. Step two, watch her childhood sweetheart die violently at the hands of an indescribable, horrific creature. Wait, what? That wasn't part of the plan. But it was just a dream, wasn't it? As the evidence mounts that what she saw was real, a broken heart is the least of her problems. Everly thinks she's close to the truth, but nothing is as it seems. What is really lurking in the dark? Darkness Unknown is the first book in the Beshadowed series by S.A. Fenech. If you're looking for shifters with a twist, urban fantasy with a touch of horror, and a satisfying mystery, you'll love Beshadowed.

The Unknown Reality, Volume Two Dec 02 2019 From the Bestselling Author of Seth Speaks In this second volume of The "Unknown" Reality, Seth radically expands our conceptions of "self," by showing us that the human personality is literally infinite in its scope and potential. He discloses precisely how probable realities combine to create our waking lives, and how our "higher selves" make decisions regarding our everyday existence. In a far-reaching exploration of the dynamics of desire and free will, he asserts that each atom, molecule, and cell has its own consciousness and powers of choice. With humor and simple analogies, Seth leads us beyond our ordinary level of awareness into a spectacular discovery of the multidimensional nature of the self, including: • "Consciousness units" as the basis of our universe • The relevance of extrasensory perception in understanding our world • The worlds we visit in dreams and out-of-body states • Dreaming as a science to create present and future realities • "Families of consciousness" we choose to belong to • Practical methods for exploring your own "unknown" reality "There is an "unknown" reality. I am part of it, and so are you . . . Each individual is a part of the unknown reality . . . To explore the unknown reality you must venture within your own psyche, travel inward through invisible roads as you journey outward on physical ones . . . I hope that [in this book] the reader can see the greater dimensions that touch ordinary living, and sense the psyche's greater magic." — Jane Roberts, Speaking for Seth

A Galaxy Unknown Aug 02 2022 A young ensign, recently graduated from the Northern Hemisphere Space Academy, is awakened abruptly in the middle of the night by alarms, flashing lights, and dire messages to abandon ship. The petite blonde pulls on some clothes and races through the spaceship in a desperate search for an available life pod-- but it appears all have already departed. So begins the epic story of Jenetta Carver. Get a tight grip on your book and prepare for an exciting adventure like few others because Jenetta is ready to take names and kick butts from one end of the galaxy to the other. Known and Unknown Sep 10 2020 Visit www.rumsfeld.com for more. Discover Known and Unknown Deluxe offering an unprecedented reading experience for a memoir by a major public figure. For web-connected readers, it features more than 500 links to never-before-available original documents from Donald Rumsfeld's extensive personal archive. It includes State Department cables, correspondence, and memoranda on topics such as Vietnam, Watergate, the days following 9/11, the wars in Iraq and Afghanistan, and much more. Available in ePub and Adobe Reader. Like Donald Rumsfeld, Known and Unknown pulls no punches. With the same directness that defined his career in public service, Rumsfeld's memoir is filled with previously undisclosed details and insights about the Bush administration, 9/11, and the wars in Afghanistan and Iraq. It also features Rumsfeld's unique and often surprising observations on eight decades of history: his experiences growing up during the Depression and World War II, his time as a Naval aviator; his service in Congress starting at age 30; his cabinet level positions in the Nixon and Ford White Houses; his assignments in the Reagan administration; and his years as a successful business executive in the private sector. Rumsfeld addresses the challenges and controversies of his illustrious career, from the unseating of the entrenched House Republican leader in 1965, to helping the Ford administration steer the country away from Watergate and Vietnam, to bruising battles over transforming the military for the 21st century, to the war in Iraq, to confronting abuse at Abu Ghraib and allegations of torture at Guantanamo Bay. Along the way, he offers his plainspoken, first-hand views and often humorous and surprising anecdotes about some of the world's best known figures, from Margaret Thatcher to Saddam Hussein, from Henry Kissinger to Colin Powell, from Elvis Presley to Dick Cheney, and each American president from Dwight D. Eisenhower to George W. Bush. Rumsfeld relies not only on his memory but also on previously unreleased and recently declassified documents. Thousands of pages of documents not yet seen by the public will be made available on an accompanying website. Known and Unknown delivers both a fascinating narrative for today's readers and an unprecedented resource for tomorrow's historians. Proceeds from the sales of Known and Unknown will go to the veterans charities supported by the Rumsfeld Foundation.

The Great Unknown Mar 05 2020 "An engaging voyage into some of the great mysteries and wonders of our world." --Alan Lightman, author of *Einstein's Dream* and *The Accidental Universe* "No one is better at making the recondite accessible and exciting." —Bill Bryson *Brain Pickings* and *Kirkus Best Science Book of the Year* Every week seems to throw up a new discovery, shaking the foundations of what we know. But are there questions we will never be able to answer—mysteries that lie beyond the predictive powers of science? In this captivating exploration of our most tantalizing unknowns, Marcus du Sautoy invites us to consider the problems in cosmology, quantum physics, mathematics, and neuroscience that continue to bedevil scientists and creative thinkers who are at the forefront of their fields. At once exhilarating, mind-bending, and compulsively readable, *The Great Unknown* challenges us to consider big questions—about the nature of consciousness, what came before the big bang, and what lies beyond our horizons—while taking us on a virtuoso tour of the great breakthroughs of the past and celebrating the men and women who dared to tackle the seemingly impossible and had the imagination to come up with new ways of seeing the world.

Destination Unknown Jun 27 2019 From Stonewall Award winner Bill Konigsberg, a remarkable, funny, sexy, heartbreaking story of two teen boys finding each other in New York City at the height of the AIDS epidemic. The first thing I noticed about C.J. Gorman was his plexiglass bra. So begins *Destination Unknown* -- it's 1987 in New York City, and Micah is at a dance club, trying to pretend he's more out and outgoing than he really is. C.J. isn't just out -- he's completely out there, and Micah can't help but be both attracted to and afraid of someone who travels so loudly and proudly through the night. A connection occurs. Is it friendship? Romance? Is C.J. the one with all the answers... or does Micah bring more to the relationship than it first seems? As their lives become more and more entangled in the AIDS epidemic that's laying waste to their community, and the AIDS activism that will ultimately bring a strong voice to their demands, whatever Micah and C.J. have between them will be tested, strained, pushed, and pulled -- but it will also be a lifeline in a time of death, a bond that will determine the course of their futures. In *Destination Unknown*, Bill Konigsberg returns to a time he knew well as a teenager to tell a story of identity, connection, community, and survival.

The Unknown Unknown Jul 01 2022 Mark Forsyth – author of the Sunday Times Number One bestseller *The Etymologicon* – reveals in this essay, specially commissioned for Independent Booksellers Week, the most valuable thing about a really good bookshop. Along the way he considers the wisdom of Donald Rumsfeld, naughty French photographs, why Elizabeth Bennet and Mr Darcy would never have met online, and why only a bookshop can give you that precious thing – what you never knew you were looking for.

Wings of Steele - Sep 22 2021 "All that is necessary for the triumph of evil is that good men do nothing." Edmond Burke... In this 2nd book of the *Wings of Steele* series, the adventure continues in *Flight of Freedom* - with one major difference: Jack Steele's *Freedom* is no longer the wounded duck she once was. They leave UFW Blackmount Station repaired and retooled, with a complete crew, fully armed and resupplied, ready to hunt. But life in a busy and turbulent universe is rarely as simple as one would hope it to be. This becomes painfully evident with the complexities in space as events splinter even the best laid plans at home and abroad. Organized and motivated, the pirates are not to be taken lightly with a growing fleet of freelancers attracted by wealth and fame. In her own right, the *Freedom* was a name becoming famous...or infamous as far as the pirates were concerned. And that could spell disaster for the *Freedom* and her crew... An epic science fiction adventure that reaches from the surface of our familiar planet and the safety of terra firma, to the dark, vast expanse of deep space and distant empires.

A Fate Unknown Jun 07 2020 I'd love to tell you how I got stuck in a house in the middle of Nowhereville, Illinois. Or how many years I've spent with no memory of the person I used to be. But I can't. Those details are locked down tight inside the chaos of my mind, and I don't have the key. The only thing I do know - I'm dead. Major bummer, right? I spend my days doing what I do best - scaring off anyone who steps foot inside my house. Of

course, ghost girls can't own houses, but that's beside the point. A girl's got a rep to maintain, and after a close call a while back, I've had to step up my game. This ghost girl doesn't want to be exorcised anytime soon. Just when my unlife is getting increasingly dull, a team of hot paranormal researchers shows up to investigate the cause of all the unusual activity. Now I don't know whether I should bust out my normal bag of tricks or take a chance on making my presence known in other, potentially naughty, ways. Don't judge. Ghost girls have needs too, ya know, and mine have gone unmet for way too long. Cole, Knox, Macklin, Thad & Levi might have just gotten more than they bargained for - namely, me - but this feels like so much more than insta-lust. With every encounter, this sense of familiarity just won't leave me the hell alone. Who are they? Who am I? In the end, maybe I'll finally know the truth, and the guys might just get something they didn't even know they were missing. A Fate Unknown is book one in a medium-burn, why choose trilogy. The FMC will have a HEA with all of her guys by book three.

Part moral fable, part thriller, *Unknown* is a fast-paced tale of one man's desperate attempt to reclaim his existence-even at the cost of his own life. Watch a Video

Persons Unknown Apr 17 2021 In this brilliant crime novel from the author of *Missing*, *Presumed*, a detective investigates her most personal case yet: a high-profile murder in which her own family falls under suspicion. "[Susie] Steiner populates this hot-button narrative with achingly human characters, but no one compares to the hormonal, mordantly funny mom-cop who will stop at nothing to save her son."—People (Book of the Week) As dusk falls, a young man staggers through a park, far from home, bleeding from a stab wound. He dies where he falls, cradled by a stranger, a woman's name on his lips in his last seconds of life. Detective Manon Bradshaw handles only cold cases. Five months pregnant, in pursuit of a work-life balance rather than romantic love, she's focused on being a good mother to her two children: her adopted twelve-year-old son, Fly Dent, and the new baby. But the man died just yards from the police station where she works, so Manon can't help taking an interest. And as she sidles in on the briefing she learns that the victim, a banker from London worth millions, is more closely linked to her than she could have imagined. When the case begins to circle in on Manon's home and her family, she finds herself pitted against the colleagues she once held dear: Davy Walker and Harriet Harper. Can Manon separate what she knows about the people she loves from the suspicion hanging over them? Can she investigate the evidence just as she would with any other case? *Persons Unknown* shows acclaimed author Susie Steiner writing her most intricate, suspenseful novel yet. Praise for *Persons Unknown* "A police procedural as concerned with the mysteries of human hearts as with who stabbed a banker to death at a park in Cambridgeshire. [Full of] winning prose, sympathetic characters and an appreciation of life's joys as keen as a knowledge of its dangers."—The Wall Street Journal "Susie Steiner blends the police procedural and the human drama perfectly."—The Charlotte Observer "[Steiner] has created a masterful mystery within an engaging narrative perfect for Kate Atkinson fans. Readers will be astonished by the unexpected turns at the conclusion, which will leave fans eagerly awaiting the next book. This series needs to be snapped up by the BBC or PBS."—Booklist (starred review) "[An] engrossing stunner, incorporating social justice issues into the narrative, along with superb plotting, dark humor, and excellent characterizations."—Library Journal (starred review)

The Book of Unknown Americans Feb 25 2022 "Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. *The Book of Unknown Americans* is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, The Daily Beast's Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year
